Processing Timeline

The following table outlines specific action steps agencies are required to take to process retroactive wage adjustments. Agencies **must** complete their review and approval of retroactive pay transactions by September 19. Unapproved transactions will not load to mass time entry.

Date	Action
September 13-14, 2025	Minnesota Management and Budget will adjust the salary rates of employees in these bargaining units and for insufficient work time employees in related job classes. There will be a 1.5% salary increase effective 7/1/2025.
September 15, 2025	Agencies begin to review/approve retroactive pay transactions. Agencies must review all non-approved retroactive pay transactions. Adjust the retroactive pay as needed and mark them <i>approved</i> before they can be loaded to mass time entry. In addition, we suggest agencies review a small sampling of system-approved retroactive pay amounts for reasonableness.

September 19, 2025	Agencies must complete the review/approval process by this date.
September 23, 2025	Retroactive pay for July 1, 2025, through September 9, 2025, will be processed during the pay period ending 9/23/2025.
October 3, 2025	Retroactive pay for July 1, 2025, through September 9, 2025, will be paid on October 3, 2025, paychecks.
