## Step-By-Step instructions:

### Part 2 - How to Make a Designation or Request an Acknowledgement

Employees can request an acknowledgement from the charitable federation receiving their payroll deduction. They can also designate their payroll deduction be directed to a specific 501(c)3 non-profit organization, depending on the federation's designation policy. This document provides easy step by step screen shot descriptions of how to do this.

More information about each federation and their designation policy can be found on the Combined Charities website: <http://www.charities.state.mn.us/charities>.
