

## Employer Contribution Schedule for Post-Retirement Option Employees - 2011

Numbers are based on 2011 health and dental rates for single coverage (\$468.9) and are for use during the 2011 calendar year only.

Formula used to calculate rates:  $((\text{Eligible Hours Worked Annually} / 2088) * 1.5) * \text{Full Employer Contribution for Single Coverage}$
