

Office Memorandum

Date: December 5, 2017

To: HR Directors and Designees, SEMA4 HR and Payroll Users

From: Edwin Hudson, Deputy Commissioner *EKH*

Subject: Performance Based Salary Increases: Commissioner's Plan, Medical Specialists' Addendum to the Commissioner's Plan, and Managerial Plan

This memo provides details and instructions for processing performance-based salary increases effective December 27, 2017 for employees covered by:

- Commissioner's Plan
- Medical Specialists' Addendum to the Commissioner's Plan
- Managerial Plan

Until the legislature acts upon the 2017–2019 plans, the 2015-2017 plans remain in effect. The 2015-2017 plans include provisions allowing employees to receive performance-based salary increases effective 12/27/2017 of up to 3.5%.

Agencies are responsible for evaluating eligibility and subsequently updating the rates of pay accordingly. An employee may only be granted a salary increase if he/she has met or exceeded performance standards or objectives. In addition, employees must be in a position covered by these plans on the preceding day. Employees whose current rate of pay is at or above the range maximum for their job class are *not* eligible for these performance-based salary increases.

Enter these performance-based increases no later than January 8, 2018, in order for the pay increases to be reflected on the January 19, 2018 paycheck.

Note: During the week of January 2, agencies will receive separate instructions and a list of employees in work out of class assignments.

Commissioner's Plan Performance-Based Salary Increase Effective 12/27/2017

For eligible employees, agencies must add a row with an effective date of 12/27/2017 and action / reason **Pay Rate Change / PRF** (Increase Based on Performance). Any rows with effective dates greater than 12/27/2017 must be updated accordingly.

Managerial Plan and Medical Specialists' Addendum to the Commissioner's Plan Performance-Based Salary Increase Effective 12/27/2017

Salary increases under the Managerial Plan and Medical Specialists' Addendum to the Commissioner's Plan may be in the form of an adjustment to the base salary rate, a lump sum, or a combination of both, but not result in a base salary rate above the range maximum for the employee's job class.

For eligible employees, agencies must add a row with an effective date of 12/27/2017 and action / reason Pay Rate Change / PRF (Increase based on Performance). Include a comment to indicate that this row is for the performance-based salary increase. Any rows with effective dates greater than 12/27/2017 must be updated accordingly.

Note: Salary increases are calculated using the employee’s hourly rate, not the annual rate.

If the salary increase includes a lump sum payment, coordinate with your agency payroll staff. Mass Time Entry earn code INS – Contract/Plan Lump Sum should be used when processing payroll for the PPE January 9, 2018. If you have any questions regarding processing lump sum payments in SEMA4, contact Statewide Payroll Services.

The lump sum option is not available for Commissioner’s Plan employees.

Agency Heads not Entitled to Increases

Agency heads listed in Minn. Stat. 15A.0815 (and some others) are not covered under the Managerial Plan for salary purposes and are therefore not entitled to salary increases under its terms. Please contact MMB if you have a question about salary for your agency head.
