Open Enrollment 2014 – the basics and the tools

The basics:
Visit Employee Self Service between November 1 – 14, 2013 to complete your Open Enrollment elections.

You may make changes to your health and dental coverage, long-term disability and manager’s IPP and flexible spending accounts.
You may remove or add eligible dependents to your health and dental coverage. The gender of your spouse no longer impacts their eligibility. You will be required to verify the eligibility of the newly added dependents.

Cost-sharing benefits and out-of-pocket maximums are not increasing. There is a 4.4 percent premium increase. The single premium remains at $0 for eligible full-time employees. All rates are available at: www.mmb.state.mn.us/employee.

The dental plan’s maximum payable benefit per year is increasing to $1,500 per participant (it was $1,000). The single premium for eligible full-time employees remains $5 per month while family premiums will increase about $3 per month.

You must re-enroll in flexible spending accounts each year.

StayWell is our new Personal Health Assessment and Wellness vendor. JourneyWell formerly held this role so you will need to register for a personal StayWell account to take the assessment this year.

Most benefit elections are effective January 1, 2014. Your 2014 elections will remain in effect the entire calendar year, unless you separate employment or experience a qualifying life event that allows you to make changes. See: www.mmb.state.mn.us/change-ins

The tools:
There are a variety of tools to help make your Open Enrollment a success.

Employee Self Service is where you make your 2014 Open Enrollment changes and view your current benefit set: www.state.mn.us/employee. You need your employee ID (on this address label) and password to log-on.

Minnesota Management & Budget’s (MMB) website holds everything needed to complete your Open Enrollment. Visit www.mmb.state.mn.us and click on “Open Enrollment” for the following:

Clinic directory lists all Primary Care Clinics (PCC) available through the Advantage Health Plan, their cost levels and plan administrators. The lowest out-of-pocket costs are in Cost Levels 1 and 2.

Links to plan administrators let you learn more about them and the services they provide.

Dependent Eligibility Chart identifies eligible dependent types and the documents that verify their eligibility.

Employee Open Enrollment meetings will be held throughout the state. Meeting times and locations are on the MMB website.

Retiree Open Enrollment meetings locations, times and dates are on the MMB and MRSEA websites www.MRSEA.org.

MN HealthScores provides objective information about the quality and value of clinics in the network: www.MNHealthScores.org.

StayWell’s confidential personal health assessment (PHA) is a tool that helps you assess your current health status and identify health issues needing attention. During Open Enrollment, complete your PHA and agree to a follow-up call from a StayWell health coach to qualify for the $5 reduction to office visit copays in 2014 for you and your covered dependents. Complete the PHA at: https://SEGIP.staywell.com

**Also covered:** any other person required by state or federal law to be treated as a dependent for purpose of health care coverage.

**Change in status or dependent eligibility:** It is your responsibility to notify SEGIP of any change in a dependent’s status (life event). Spouses and dependents losing eligibility may qualify for COBRA. An eligible spouse or dependent may be added within 30 days of a life event or during Open Enrollment. You must notify SEGIP within 60 days of your divorce from a covered spouse or if a covered dependent loses eligibility. After the 60-day period ends, continued failure to report a loss of eligibility may be considered fraud or intentional misrepresentation of a material fact and the employee may be liable for all claims paid by the Plan on behalf of such individuals and the employee may be subject to criminal penalties. Upon a 30-day notice, ineligible dependents may be dis-enrolled. Instances of fraud, intentional misrepresentation of a material fact or non-payment of premiums may result in the retroactive cancellation of coverage. Details are in Your Employee Benefits (http://www.mmb.state.mn.us/doc/ins/yeb/yeb.pdf).
**Smile, dental is open this year – and it has a bigger benefit!**

There are reasons to smile! Dental coverage is open and the maximum payable benefit is increasing to $1,500 per participant per plan year. This annual maximum has not changed in more than 10 years.

Single premiums for employees who receive the full employer contribution remains $5 per month. The premiums for family dental coverage have increased about $3 per month.

The two administrators, Delta Dental of Minnesota and HealthPartners State Dental Plan of Minnesota, both offer the same coverage. However, there are differences in the networks of dentists each offers. Check to ensure your dentist is in the network you select since in-network dentists provide the best benefit.

Remember to seek a pre-estimate when using an out-of-network dentist because benefits are reduced.

During Open Enrollment you can add or drop dental coverage for yourself and your eligible dependents. If you have waived dental insurance in the past, you can enroll at this time. Remember to seek a pre-estimate when using an out-of-network dentist because benefits are reduced.

Find out more by attending an Open Enrollment meeting or reviewing information on the web—we’d love to see brighter smiles with this benefit increase.

**Individual Shared Responsibility – most must have coverage or pay a penalty**

Almost everyone must have health coverage by January 1, 2014 or pay a federal penalty. This is a feature of the Affordable Care Act and it likely includes you and your tax dependents.

You can meet the individual mandate requirement by participating in your employment sponsored health coverage. Open Enrollment is your opportunity to enroll your eligible dependents in your coverage. Outside of Open Enrollment, changes can only be made upon a qualified life event.

The federal penalty for not carrying health coverage in 2014 is the greater of either $95 per uninsured person or 1% of household income over the tax filing threshold, and it increases to the greater of either $695 per uninsured person or 2.5% of household income over the filing threshold in 2016.

You are not required to report your coverage or exemptions until you file your 2014 income tax return, which is not due until April 15, 2015.

Under the individual shared responsibility provision the penalty is not imposed on any individual for whom coverage is unaffordable, who has other good cause for going without coverage, or who goes without coverage for only a short time. Examples of who fits this description includes those who are not required to file a tax return, those with a religious exemption, and people who do not reside in the country.

For more information about the individual mandate see www.healthcare.gov.

Insurance benefits OPEN ENROLLMENT is November 1 – 14, 2013.
This is your only notification.
All Open Enrollment materials are at: www.mmb.state.mn.us

Creditable Coverage
People who enroll in Medicare Part D after age 65 may find themselves paying higher premiums than those who enrolled at age 65. To avoid higher premiums you must be able to prove that you had continuous creditable drug coverage since age 65. The MN Advantage Health Plan offers creditable coverage. Creditable coverage means that the amount the Advantage Plan expects to pay for prescription drugs is as much as, or more than, what the standard Medicare prescription drug coverage will pay. The Advantage Plan’s notice, or proof, of creditable coverage, is available to you on the MMB Website shown above.

He’s baaaack – Benny is again the FSA debit card
Benny returns on January 1, 2014! He is replacing the EideBailly OneCard as the flexible spending account (FSA) debit card.

Eide Bailly Employee Benefits, our flexible spending account administrator, will begin mailing the new Benny Cards in December. They will send two cards in a white envelope to participants who have a 2014 MDEA or a balance in a 2009 or 2011 State HRA, or a MnSCU HRA.

Purchases are limited to approved items and you must substantiate your purchases as requested. The IRS sets the criteria for all FSA debit card substantiation requests.

Flexible Spending Accounts (FSA)
You MUST enroll in a FSA during each and every Open Enrollment—even if you continue the same dollar amount. MDEA and DCEA balances do not carry forward from year to year. You can only enroll outside of Open Enrollment if you experience a qualified life event (such as the birth of a child).
