**RE:** *Cancellation Report*

Minnesota Statute 16A.642, subdivision 1, requires the Commissioner of Finance to report to the chairs of the Senate Finance Committee, the House Ways and Means Committee and the House Capital Investment Committee by February 1 of each odd numbered year on the cancellation of general fund and bond financed projects authorized more than four years before February 1. This statute directs that unencumbered or unspent project balances included in the report are canceled effective July 1 unless specifically reauthorized by act of the legislature.

In accordance with M.S. 16A.642, attached are the reports titled ***Bond Proceeds Cancellation Report*** and ***General Fund Projects Cancellation Report***. Projects balances on these two reports are unavailable for expenditure after February 1 and will cancel on July 1 unless reauthorized by the legislature.

In addition, Minnesota Statute 16A.501 requires the Commissioner of Finance to report by February 1 of each year on the degree to which entities receiving any appropriation of bond proceeds have encumbered or expended that money. This report includes balances for *all* bonding projects, including projects that are less than four years old.

In accordance with M.S. 16A.501, attached is an accounting report titled ***Legal Obligation Appropriation Sort – General Obligation Bonding Capital Improvements***. As a courtesy, also attached is an accounting report entitled ***Legal Obligation Appropriation Sort—General Fund Capital Improvements***. These last two reports are intended for informational purposes only -- cancellations are governed exclusively under the provisions of M.S. 16A.642.

Questions regarding these reports may be directed to Peter Sausen in the Department of Finance at (651) 296-8372.
