Subject: Agency performance review data due July 14, 2017

This memo is to notify you that agencies must record all performance review data in SEMA4 and submit the attached performance review survey to Minnesota Management and Budget (MMB) by July 14, 2017. At the end of July, MMB will run reports from SEMA4 on agency Fiscal Year 2017 annual performance review completions, and provide a report to Governor Dayton.

To assist in the effort we have provided the following resources:

- *SEMA4 Data Entry* instructions (attached) and also located in [SEMA4 Help](#) (Search for Employee Review).
- Training on the procedure at the May 18, SEMA4 HR Transactions User Group meeting.
- New OBIEE reports that help agencies assess and improve the accuracy of their data.

What do I need to do by July 14?

1. Encourage managers to complete all performance reviews due in Fiscal Year 2017.
2. Record all annual performance review data in SEMA4 using the SEMA4 data entry instructions.
3. Request a "General Data Correct" SEMA4 security role for agency HR staff who need to correct Employee Review data components.
4. Use the *Deleting Employee Review Information* instructions to delete the row of any employee who has, within the fiscal year, separated or retired from agency service prior to their performance review.
5. Determine if there is a reasonable period of time to complete a review for employees returning from a leave of absence. When needed modify the Effective Date on the place holder row (and Next Review Date on the previous row) to extend the review due date.
6. Use the *Annual Employee Review Due and Done* and *Annual Employee Review Due and Not Done* reports to audit employee review data. The reports are located in the [SWIFT Data Warehouse](#).
7. Fill out the *Fiscal Year 2017 Survey on Agency Performance Review Practices* (attached). Email your completed survey to Diana.Evensen@state.mn.us.
 - a. Use the new *Employees with Pay Increases Delayed or Withheld* report to audit employee data and answer survey questions 3 and 4.
 - b. Use the new *Employees with Pay Increase without Annual Review* report to audit employee review data and answer survey question 5.
 - c. Both of these reports are located in the [SWIFT Data Warehouse](#).

Notes about the survey

1. *Definitions:* Definitions of the data requested in the survey are on page 3 of this memo.
2. *Survey Responses:* In all cases where the survey asks for a number as a response, please use a numeric value. Do not use a general descriptor like “all,” “some,” or “none.”
