

# FY 2018-19 Federal Funds Summary

## Administration

(Dollars in Thousands)

Federal Agency and CFDA #	Federal Award Name and Brief Purpose	New Grant	FY2016 Actuals	FY2017 Budget	FY2018 Base	FY2019 Base	Required State Match or MOE?	FTEs
Health and Human Services 93.630	Federal Assistance to State Developmental Disabilities Councils—DD Act Subtitle B; at least 70% of federal assistance is re-granted to program activities leading to increased independence, productivity, self-determination, integration and inclusion of individuals with developmental disabilities and their families in the community.		938	1,099	1,055	1,047	Yes	2.6
Health and Human Services 93.464	The State Grant for Assistive Technology Program supports state efforts to improve assistive technology services to individuals with disabilities of all ages through comprehensive, consumer responsive statewide programs such as device demonstration, device loan and activities to reuse older devices.		450	710	630	716	No	3.4
Defense Logistics Agency – Department of Defense 12.002	The PTAC is expected to make a concerted effort to seek out and assist small business concerns, small disadvantaged business concerns, women-owned business concerns, HUBZone business concerns, service disabled veteran-owned business concerns, historically black colleges or universities and Minority Institutions.	Yes			550	550	Yes	4.5
	Program Total		1,388	1,809	2,235	2,313		10.5
	Federal Fund – Agency Total		1,388	1,809	2,235	2,313		10.5

### Narrative:

The Governor's Council on Developmental Disabilities (DDC) receives an annual formula grant from the US Department of Health and Human Services, under a federal program, with state participation, to provide assistance to state councils for the benefit of individuals with developmental disabilities and their families in the state (Developmental Disabilities Assistance & Bill of Rights Act of 2000, P.L. 106-402). This program requires Maintenance of Efforts (MOE) by the states. The federal share of the cost of all program and operating activities cannot be more than 75% of the aggregate cost of such activities. The remaining 25% share of aggregate costs is the non-federal share that is provided by the state and sub-grantees. The federal act requires reasonable

participation by the state. The DDC currently receives \$74,000 from the state's general fund. Federal funding is expected to remain at its current level through 2019.

The System of Technology to Achieve Results (STAR) Program currently receives an annual discretionary formula grant, which is funded under the Assistive Technology Act of 2004, as amended (AT Act), P.L. 108, 364. This federal grant is administered by the U.S. Department of Health and Human Services Administration for Community Living. Under the grant, programs may carry-over one year of funding. STAR began using its federal fiscal year 2016 grant in October 2016. A partial award for federal fiscal year 2017 in the amount of \$93,739 has been appropriated under a Continuing Resolution. It is anticipated that the final 2017 grant award will not be issued until March of 2017. STAR does not receive any state funding.

The Minnesota PTAC program (Procurement Technical Assistance Program) provides technical and marketing assistance to small Minnesota businesses to prepare and support them to sell product and services to federal, state and local government agencies. The program has been most recently hosted by MEDA (Metropolitan Economic Development Agency), however their agreement to host ends on June 30, 2017. They do not intend to host the program beyond that date.

The funds will be matched with roughly \$550K in State funds that are currently appropriated to the Office of Equity in Procurement. The Office is charged with working with small, economically disadvantaged businesses, as well as businesses owned by women, minorities, veterans and people with substantial physical disabilities. The Office provides assistance with State certification, navigating State procurement, and connecting business owners with contracting opportunities within the State. The federal funding will allow the State to expand its services to all small businesses to include market identification, contracting regulations/compliance assistance, bidding and proposal development, ongoing technical support, training in basic business acumen, and assistance navigating federal and local government contracting.

The basis for the \$550K estimate is both salary and operating expenses of the Office of Equity in Procurement. No major funding levels or trends are anticipated that will impact the future of the award.

# FY 2018-19 Federal Funds Summary

## Agriculture

(Dollars in Thousands)

Federal Agency and CFDA #	Federal Award Name and Brief Purpose	New Grant	FY2016 Actuals	FY2017 Budget	FY2018 Base	FY2019 Base	Required State Match or MOE?	FTEs
Dept. of Agriculture Natural Resources Conservation Service CFDA #10.912	Drainage Water Management Red River Basin – demonstrate on-farm the benefits of drainage water management to surface water quality and quantity (PFMD-B041F18)		0	50	50	50	Match	0
Dept. of Agriculture Natural Resources Conservation Services CFDA #10.902	MN Agricultural Water Quality Certification Program-provide technical assistance to landowners seeking water quality certification (PFMD-B041F46)		167	360	0	0		0
Environmental Protection Agency CFDA #66.605	Pesticides Performance Partnership – support pesticide programs, groundwater and surface monitoring (PFMD-B041F60)		179	237	433	435	Match	1.55

**Narrative:**

The Minnesota Department of Agriculture (MDA) receives funding from many federal sources including the Departments of Agriculture, Health and Human Services, and Department of the Interior as well as the Environmental Protection Agency. MDA obtains federal funds directly from the federal government as the primary recipient or as a sub-recipient of a larger grant from another state agency or outside organization.

**Pesticide and Fertilizer Management Division**

Federal awards received from the Environmental Protection Agency fund core activities such as pesticide enforcement, applicator certification and training, groundwater monitoring urban initiatives, and endangered species activities. MDA matching funds are provided through special revenue funds from the Pesticide Regulatory account. Since the federal funds support only a small portion of the state's pesticide program, MDA matching funds greatly exceed the amount required under the federal awards. Federal

awards received from Natural Resources Conservation Service and Fish and Wildlife Management Assistance to demonstrate the benefits of drainage water management or support conservation planning are matched with Clean Water funds.

### **Plant Protection Division**

Through the U.S. Department of Agriculture's Forest Service and Animal Plant Health Inspection Service federal awards support efforts to protect agriculture crops, commodities and forests from a number of plant pests and pathogens. Federal funds are utilized to implement survey and detection programs for pests such as potato cyst nematode, plum pox disease, gypsy moth, emerald ash borer, and karnal bunt of wheat. Plant pest surveys serve as a basis for making decisions to eradicate, contain, or manage plant pest threats. These surveys also serve as a basis for MDA to certify that pests do not exist in Minnesota which ensures open access to a number of foreign markets for Minnesota commodities. Required matching funds are generally provided through state General Fund appropriations or state grants from the Environment and Natural Resources Trust Fund. Funds from the U.S. Department of Interior's Fish and Wildlife Service help to compensate farmers and ranchers with damage claims related to elk or wolf and required matching funds are provided by State General Fund appropriations. The availability of federal funds declined sharply after state fiscal year 2012 and have not recovered.

### **Laboratory Services Division**

Through the U.S. Department of Agriculture's Food Safety and Inspection Service federal funding to the MDA Laboratory Services is used to analyze food matrices for microbiological and chemical threat agents and improve laboratory capacities for surveillance and outbreak response. In addition, funds are provided to participate on the Risk Assessment Working Group to enhance the ability to handle unknown biological contaminants and maintain one of three National Food Emergency Response Network Training Centers that will host and conduct training. The USDA also provides funding for the testing of meat sold under their "Equal to Meat & Poultry Inspection" program. These federal dollars are matched with General Fund. Funding received from the Food and Drug Administration funds the laboratory's analytical capability and capacity for the analysis of food and food products in order to rapidly respond to any local or national food safety or security threat from the use of chemical contaminants, toxins, and poisons. The FDA also funds our efforts to expand our scope of methods accredited to the International Organization for Standardization (ISO)/International Electrotechnical Commission (IEC) 17025:2005 laboratory testing standard. The laboratory receives funding from the USEPA to provide regulatory enforcement testing related incident response events and to test ground and surface water for pesticides to determine their environmental fate. Additionally the USEPA will be funding a national pesticide residue workshop to be hosted by our laboratory. Federal funding from the FDA for ISO/IEC 17025:2005 accreditation efforts is scheduled to expire at the end of the Federal fiscal year. Other funding from the Food and Drug Administration and EPA is expected to remain stable.

### **Food and Feed Safety Division**

Federal awards received by the MDA's Food and Feed Safety Division have been relatively stable with the exception of increased funds provided by the Food and Drug Administration for food safety projects that enable faster response to foodborne disease outbreaks, produce safety implementation and manufactured, retail and animal feed regulatory program standards. The purposes of these increased funds are project-specific and are intended to support and not supplant existing state resources.

### **Dairy and Food Inspection Division**

Federal awards received by the MDA's Dairy and Meat Inspection Division have been relatively stable. The DMID did receive federal funding for a drug residue prevention project which is a 2 year project intended to focus on residue prevention and appropriate veterinary drug use education. These funds support efforts, but do not supplant existing State funds. Federal funding for the meat and poultry inspection program provided from the USDA Food Safety and Inspection Service is expected to remain stable for FY 2017-18; however, it is expected that the State will require an increase level of Federal funding to fully capitalize on the level of State funding available. The 100% required State match is from the General Fund. No fees are currently used to support this activity.

### **Marketing and Development Division**

The U.S. Department of Agriculture's Ag Marketing Services provides funding to enhance the competitiveness of specialty crops and provide support for socially disadvantaged and beginning farmers of these crops. Funding for this grant has increased in recent years. Funding provided to defray the costs of organic certification is expected to remain stable. Currently, there are no required matching funds. The Farmers Market Nutrition Program provides funding to educate low income, nutritionally-at-risk families about the value of fresh, locally grown produce and to increase direct sales for farmers through farmers' markets. Matching funds are provided by the General Fund. Federal funding for the biofuel infrastructure partnership with USDA Commodity Credit Corporation will end at the end of fiscal year 2018.

**AGENCY SUMMARY**

Current federal appropriation levels as well as guidance provided from our federal agencies were taken into consideration to determine Minnesota Department of Agriculture's federal funding level for the biennial budget years 2018 and 2019. Based on informed communication with our federal agencies, no significant change in future federal funding is foreseen at this time.

# FY 2018-19 Federal Funds Summary

## Education

(Dollars in Thousands)

Federal Agency and CFDA #	Federal Award Name and Brief Purpose	New Grant	FY2016 Actuals	FY2017 Budget	FY2018 Base	FY2019 Base	Required State Match or MOE?	FTEs

### MDE Federal Fund Summary Narrative:

Federal Funds make up 8% of Minnesota Department of Education's (MDE) budget and are projected to be \$825 and \$831 million for State fiscal years 2018 and 2019 respectively. Title and Special Education funding has remained the same or shown a slight increase that is insignificant when compared to the increased cost of providing services to eligible students. 95% of Federal Funds flow thru to LEAs.

Major programs with Maintenance of Effort (MOE) include Title I, Special Education, English Language Acquisition, and Adult Basic Education (ABE). Title I and ABE require LEAs to spend at least 90% of prior year funding from state and local efforts to avoid a prorated loss of federal funds. For Special Education, states are subject to MOE and are required to spend the same amount of funding as the previous year in order to receive IDEA Parts B and C funds. Food & Nutritional Services, ABE and Carl Perkins also require a state match for the state to receive federal funds.

# FY 2018-19 Federal Funds Summary

## Health

(Dollars in thousands)

Federal Agency (CFDA)	Federal Award Name and Brief Purpose	New Grant	FY2016 Actual	FY2017 Estimate	FY2018 Budget	FY2019 Budget	Required State Match or MOE?	FTEs
ACF (93.235)	Abstinence Education Program - Reduce the teen pregnancy and sexually transmitted infections rates among 15-17 year olds.	-	256	1,246	796	796	Match	1
ACF (93.558)	Temporary Assistance for Needy Families (TANF) - Family Home Visiting and Pre-pregnancy family planning services - Promote family health and self-sufficiency through family home visiting programs. Provide low-income and high-risk individuals with access to pre-pregnancy family planning services.	-	7,357	12,215	9,713	9,713	-	3
CDC (93.073)	Birth Defects Information System - Supports surveillance of birth defects in Minnesota.	-	70	170	170	170	-	2
CDC (93.073)	Microcephaly Surveillance and Services - Supports surveillance of birth defects in Minnesota, specifically for microcephaly	-	0	200	200	200	-	2
CDC (93.283)	Birth Defects Information System - Research and prevention	-	106	0	0	0	-	1
CDC (93.314)	Early Hearing Detection and Intervention (EHDI) - Supports a centralized newborn hearing screening tracking and surveillance system capable of accurately identifying, matching, collecting, and reporting data.	-	28	0	0	0	-	0
CDC (93.314)	Early Hearing Detection and Intervention (EHDI) - Supports a centralized newborn hearing screening tracking and surveillance system capable of accurately identifying, matching, collecting, and reporting data.	-	0	50	50	50	-	0
CDC (93.758)	Preventive Health and Health Services (PHHS) Block Grant - Flexible funds that can be targeted to fill funding gaps in programs that deal with leading causes of death and disability, as well as the ability to respond rapidly to emerging health issues including outbreaks of foodborne infections and water borne diseases.	-	156	169	169	169	MOE	2
CDC (93.946)	Pregnancy Risk Assessment Monitoring System (PRAMS) - Monitors maternal experiences and behaviors just before, during and after pregnancy.	-	122	0	0	0	-	1
CDC (93.946)	Pregnancy Risk Assessment Monitoring System (PRAMS) - Monitors maternal experiences and behaviors just before, during and after pregnancy.	-	60	175	175	175	-	2
CMS (93.778)	Child & Teen Check Up - Early and periodic screening, diagnosis, and treatment	-	0	387	386	387	-	4

Federal Agency (CFDA)	Federal Award Name and Brief Purpose	New Grant	FY2016 Actual	FY2017 Estimate	FY2018 Budget	FY2019 Budget	Required State Match or MOE?	FTEs
DHHS (93.500)	Expectant Teens and Families - Supports pregnant and parenting women and men (under age 26) to accomplish their higher education/post-secondary education goals.	-	1,123	1,500	1,500	1,500	-	3
DOE (84.027)	Individuals with Disabilities Education Act (IDEA) - Technical assistance to local public health for identifying and serving infants and toddlers with disabilities.	-	249	60	60	60	-	1
DOE (84.181)	Individuals with Disabilities Education Act (IDEA) - Technical assistance to local public health for identifying and serving infants and toddlers with disabilities.	-	0	207	200	200	-	0
HRSA (93.092)	Personal Responsibility Education Program (PREP) - Supports efforts to decrease teen pregnancy/STIs in high-risk adolescent populations.	-	637	200	884	663	-	2
HRSA (93.110)	Children and Youth with ASD - Supports efforts to increase awareness of the signs and symptoms of Autism Spectrum Disorder/Developmental Delays (ASD/DD) and available resources for stakeholders; strengthen the infrastructure serving children with ASD/DD; and increase knowledge and empowerment of families and caregivers.	-	267	111	0	0	-	0
HRSA (93.110)	Integrated Community Systems - Supports efforts to increase the proportion of CYSHCN who receive integrated care through a patient/family-centered, health care home approach.	-	213	362	50	0	-	1
HRSA (93.110)	Minnesota State System Development Initiative - Supports efforts to align early childhood service system priorities and integrate their funding streams in order to maximize health, mental health, early care and education, parenting education and family support benefits to the children, families, and communities served.	-	109	100	100	100	-	1
HRSA (93.110)	State Early Childhood Comprehensive Service - State agency coordination of expansion of developmental screening activities.	-	137	7	0	0	-	0
HRSA (93.251)	Universal Newborn Screening and Hearing Program - Supports efforts to detect hearing impairments in infants and reduce or eliminate negative impacts through early intervention.	-	249	250	250	250	-	1
HRSA (93.505)	Maternal, Infant and Early Childhood Home Visiting (MIECHV 1) Formula Grant - Supports efforts to improve the health and developmental outcomes for at-risk children through voluntary evidenced-based home visiting programs.	-	1,206	1,206	142	0	MOE	0

CMS (93.778)	Health Information Technology - Planning grant	-	0	138	138	138	-	1
CMS (93.778)	Parent Recognition - Training and education to individuals who provide paternity documents and register births	-	106	90	0	0	-	1
DHHS (93.511)	Development of a MN Data Center - Enhance analytic and research capacity for use of Minnesota Health Claims Data Center	-	281	1,525	1,525	1,525	-	4
CDC (93.511)	Health Insurance Rate Review - Enhance analytic and research capacity for use of Minnesota Health Claims Data Center	-	151	325	325	325	-	2
DOE (84.372)	Statewide Longitudinal Education Data System (SLEDS)	-	32	79	79	79	-	0
HRSA (93.130)	Primary Care - Target site development for clinics interested in participating in National Health Service Corps programs.	-	231	191	191	191	-	2

Federal Agency (CFDA)	Federal Award Name and Brief Purpose	New Grant	FY2016 Actual	FY2017 Estimate	FY2018 Budget	FY2019 Budget	Required State Match or MOE?	FTEs
HRSA (93.165)	National Health Service Corps (NCHS) Loan Repayment - To encourage more medical professionals to practice in underserved areas	-	94	100	100	100	-	0
HRSA (93.241)	Rural Hospital Flexibility Program - Supports small hospital Health Insurance Portability and Accountability Act (HIPAA) compliance, patient safety, quality improvement, and Prospective Payment System (PPS) costs.	-	834	754	754	754	-	2
HRSA (93.301)	Small Rural Hospital Improvement - Strengthen Critical Access Hospitals and rural health systems; improve quality, safety and access.	-	1,434	768	768	768	-	0
HRSA (93.913)	State Office of Rural Health - Provides information and assistance to rural health care provider so that health services are available where needed, and to recruit and retain health professionals.	-	176	172	172	172	Match	1
HRSA (93.994)	Maternal and Child Health Block Grant - Supports public health services to low-income, high-risk mothers and children, including children with special health needs.	-	200	99	0	0	-	1
	<b>Health Policy, subtotal</b>		<b>12,832</b>	<b>15,623</b>	<b>4,176</b>	<b>4,176</b>		
CDC (93.068)	Alcohol Epidemiology Grant - Promoting Population Health through Increased Capacity in Alcohol	-	0	147	147	147	-	1
CDC (93.070)	Asthma - Supports statewide activities to train health professionals, educate individuals with asthma and their families, and explain asthma to the public.	-	577	625	625	723	-	5
CDC (93.070)	Environmental Public Health Tracking - Supports a tracking system to integrate data about environmental hazards with data about diseases that are possibly linked to the environment, and provide public access via a data portal.	-	916	850	850	850	-	7
CDC (93.094)	WISEWOMAN - Cardiovascular Disease Risk Reduction - Supports screening for cardiovascular disease (blood pressure, cholesterol, diabetes A1-C) and lifestyle change counseling for Sage Program participants	New	0	0	1,000	1,000	-	6
CDC (93.136)	Core Injury and Violence Prevention - Supports comprehensive injury prevention and control activities, with a focus on traumatic brain injury.	-	246	248	248	248	-	3
CDC (93.136)	Injury Prevention and Control Programs - Prescription drug overdose prevention	-	0	294	294	294	-	2
CDC (93.136)	National Violent Death Reporting System (NVDRS) - Provide communities with a clearer understanding of violent deaths.	-	183	229	229	229	-	3
CDC (93.136)	Rape Prevention and Education - Supports statewide prevention and education programs that address sexual violence.	-	535	702	702	702	-	3

Federal Agency (CFDA)	Federal Award Name and Brief Purpose	New Grant	FY2016 Actual	FY2017 Estimate	FY2018 Budget	FY2019 Budget	Required State Match or MOE?	FTEs
CDC (93.184)	Disabilities Prevention - Develop, implement, and measure the effectiveness of interventions that promote the health and wellness of people with disabilities and prevent secondary conditions across the lifespan	-	0	150	150	150	-	1
CDC (93.262)	National Institute for Occupational Safety and Health (NIOSH) Exploratory/Developmental Program - Conduct surveillance of serious injury with a relationship to agricultural work.	New	0	0	150	150	-	1
CDC (93.262)	Occupational Health and Safety Surveillance - Determines rates, trends, and causes of work-related injury and illness.	-	126	130	130	130	-	1
CDC (93.283)	Cancer Control Programs	-	81	0	0	0	-	0
CDC (93.283)	Cancer in MN Children - Supports enhancements to the cancer surveillance system to increase the rapidity of reporting for pediatric cancer cases.	-	299	142	142	142	-	2
CDC (93.283)	Cancer Prevention and Control - Focuses on a strategic approach to preventing and minimizing the impact of cancer through policies, systems, and environmental change. Funding also seeks to improve access to timely breast and cervical cancer screening and diagnostic services for MN's underserved women, and provides funding to support and maintain the MN statewide population-based cancer registry.	-	2,461	2,079	2,079	2,079	Match	17
CDC (93.283)	Oral Disease Prevention - Supports the development of state-level infrastructure to improve oral health in the state.	-	208	340	340	132	-	4
CDC (93.757)	State and Local Public Health Actions - Prevent obesity, diabetes, heart disease, and stroke.	-	991	1,056	1,056	0	-	5
CDC (93.758)	Preventive Health and Health Services (PHHS) Block Grant - Flexible funds that can be targeted to fill funding gaps in programs that deal with leading causes of death and disability, as well as the ability to respond rapidly to emerging health issues including outbreaks of foodborne infections and water borne diseases.	-	496	617	617	617	MOE	5
CDC (93.875)	Models of Collaboration - Public health program that utilizes the oral health infrastructure to impact chronic disease performance measures.	New	0	250	250	0	-	2

Federal Agency (CFDA)	Federal Award Name and Brief Purpose	New Grant	FY2016 Actual	FY2017 Estimate	FY2018 Budget	FY2019 Budget	Required State Match or MOE?	FTEs
CDC (93.919)	Cancer Prevention and Control - Focuses on a strategic approach to preventing and minimizing the impact of cancer through policies, systems, and environmental change. Funding also seeks to improve access to timely breast and cervical cancer screening and diagnostic services for MN's underserved women, and provides funding to support and maintain the MN statewide population-based cancer registry.	-	3,542	4,189	4,189	4,189	Match	18
CDC (93.946)	Sudden Death in the Young Registry - Identify and analyze all cases of sudden and unexplained deaths in children and youth in Minnesota to prevent further deaths.	-	34	57	57	57	-	1
CDC (93.956)	MN Stroke Registry Program - Supports a hospital-based stroke registry that is used to improve care for stroke patients.	-	569	750	750	750	-	6
DHHS (93.393)	Improving Risk Stratification for Colonoscopy Screening - Study the prevalence of colorectal cancer based on patient characteristics.	-	40	30	0	0	-	0
HRSA (93.059)	General, Pediatric, and Public Health Dentistry - Normandale CC Project & Communication Coordinator	-	0	30	2	0	-	0
HRSA (93.236)	Oral Health Work Force - Impact oral health disparities and increase access to quality oral health care by fostering innovation in existing systems, develop and pilot new programs that positively impact Minnesota's underserved populations.	-	0	500	500	0	-	3
HRSA (93.236)	Oral Health Workforce Activities	-	209	0	0	0	-	0
NIH (n/a)	Cancer Control through Tobacco Prevention - R01 or R21 Research Grant - Supports research activities designed to reduce cancer through tobacco cessation efforts including use of incentives and patient navigators.	New	0	0	1,000	1,000	-	3
SAMHSA (93.243)	Youth Suicide Prevention and Early Intervention - Build local capacity and strengthen the coordination, implementation and evaluation of statewide (including tribal communities) youth suicide prevention and early intervention strategies to decrease suicide by 10% in five years, 20% in 10 years towards zero deaths.	-	0	734	735	735	-	5
USDOJ (16.320)	Services for Trafficking Victims - Improve outcomes for child and youth victims of sex and labor trafficking.	-	0	957	957	957	-	1
CDC (93.800)	Integrating Colorectal Cancer - Supports promotion and provision of colorectal cancer screening.	-	803	1,311	1,311	1,311	-	5

Federal Agency (CFDA)	Federal Award Name and Brief Purpose	New Grant	FY2016 Actual	FY2017 Estimate	FY2018 Budget	FY2019 Budget	Required State Match or MOE?	FTEs
CDC (93.757)	State Public Health Actions - Prevent and control diabetes, heart disease, obesity, and associated risk factors, and promote school health.	-	1,389	1,389	1,389	1,389	-	5
CDC (93.945)	State Public Health Actions - Prevent and control diabetes, heart disease, obesity, and associated risk factors, and promote school health.	-	765	308	308	308	-	7
CDC (93.946)	Sudden Unexplained Infant Deaths - Identify and analyze all cases of SUID in Minnesota to prevent further deaths.	-	62	68	75	75	-	1
	<b>Health Promotion and Chronic Disease, subtotal</b>		<b>14,301</b>	<b>18,182</b>	<b>20,282</b>	<b>18,364</b>		
CMS (93.777)	Clinical Laboratory Improvement Amendments (CLIA) - Provides inspections of clinical laboratories to ensure they are meeting federal standards.	-	228	253	261	268	-	3
CMS (93.777)	Impact Hospice - Certify health care facilities and perform surveys and investigations of those facilities.	-	171	139	143	147	Match	2
CMS (93.777)	Medicare Title 18 - Certify health care facilities and perform surveys and investigations of those facilities.	-	7,997	9,522	9,808	10,102	Match	182
CMS (93.778)	Child & Teen Check Up - Early and periodic screening, diagnosis, and treatment	-	315	0	0	0	-	0
	<b>Health Regulation, subtotal</b>		<b>8,711</b>	<b>9,914</b>	<b>10,212</b>	<b>10,517</b>		
CDC (93.283)	Emerging Infections Program (EIP) - Minnesota is one of 10 states serving as a sentinel site for emerging infectious disease surveillance. Supports state operations for specialized studies of emerging infections.	-	2,809	2,810	0	0	-	20
CDC (93.317)	Emerging Infections Program (EIP) - Minnesota is one of 10 states serving as a sentinel site for emerging infectious disease surveillance. Supports state operations for specialized studies of emerging infections.	-	197	0	0	0	-	7
CDC (93.317)	Emerging Infections Program (EIP) - Minnesota is one of 10 states serving as a sentinel site for emerging infectious disease surveillance. Supports state operations for specialized studies of emerging infections.	-	0	88	440	440	-	0
CDC (93.317)	Emerging Infections Program (EIP) - Minnesota is one of 10 states serving as a sentinel site for emerging infectious disease surveillance. Supports state operations for specialized studies of emerging infections.	-	0	591	2,915	2,915	-	0
ACF (93.576)	Refugee Health Services - Supports state operations and grants to CHBs to ensure refugees receive a medical screening and healthy start as they resettle.	-	152	174	150	150	-	1
CDC (93.069)	Public Health Emergency Preparedness (PHEP) - Supports state, local and tribal public health preparedness and response to emergencies that affect the public's health.	-	786	1,571	1,564	1,564	MOE	11

Federal Agency (CFDA)	Federal Award Name and Brief Purpose	New Grant	FY2016 Actual	FY2017 Estimate	FY2018 Budget	FY2019 Budget	Required State Match or MOE?	FTEs
CDC (93.070)	Environmental Health Specialist (EHS) Network - Identify and prevent environmental factors contributing to foodborne and waterborne illness outbreaks.	-	29	39	39	39	-	2
CDC (93.116)	Tuberculosis Elimination - Supports TB prevention and control activities including state operations and grants to CHBs.	-	930	963	963	963	-	8
CDC (93.268)	Immunization Information System Sentinel Site - Supports promotion of immunizations across the lifespan thru state operations, vaccine-preventable disease surveillance, immunization information systems, implementation of the federal Vaccines for Children program, and grants to Community Health Boards.	-	217	300	300	300	-	2
CDC (93.268)	Immunization Information System Sentinel Site - Supports promotion of immunizations across the lifespan thru state operations, vaccine-preventable disease surveillance, immunization information systems, implementation of the federal Vaccines for Children program, and grants to Community Health Boards.	-	176	271	271	271	-	2
CDC (93.270)	Viral Hepatitis Prevention - Supports enhanced surveillance to monitor the disease burden of acute and chronic viral hepatitis. Funding awarded to bridge the 10-month gap between EIP funding for hepatitis surveillance and new Hepatitis Surveillance.	-	111	108	108	108	-	1
CDC (93.521)	Emerging Infections Program (EIP) Prevention and Public Health Fund - Minnesota is one of 10 states serving as a sentinel site for emerging infectious disease surveillance. Supports state operations for specialized studies of emerging infections.	-	397	459	730	0	-	1
CDC (93.283)	New Refugee Disease Surveillance - Supports activities to reduce infectious diseases among newly arrived refugees, including education, disease tracking and state operations.	-	63	107	0	0	-	2
CDC (93.521)	Emerging Infections Program (EIP) Prevention and Public Health Fund - Minnesota is one of 10 states serving as a sentinel site for emerging infectious disease surveillance. Supports state operations for specialized studies of emerging infections.	-	293	520	100	0	-	3
CDC (93.323)	Epidemiology and Laboratory Capacity (ELC) - Supports public health infectious disease infrastructure for surveillance, laboratory capacity and IT capacity.	-	2,055	3,387	3,387	3,387	-	22
CDC (93.521)	Epidemiology and Laboratory Capacity (ELC) - Supports public health infectious disease infrastructure for surveillance, laboratory capacity and IT capacity.	-	976	1,032	1,032	1,032	-	10

Federal Agency (CFDA)	Federal Award Name and Brief Purpose	New Grant	FY2016 Actual	FY2017 Estimate	FY2018 Budget	FY2019 Budget	Required State Match or MOE?	FTEs
CDC (93.521)	MN Statewide Immunization and Vaccine - Supports promotion of immunizations across the lifespan thru state operations, vaccine-preventable disease surveillance, immunization information systems, implementation of the federal Vaccines for Children program, and grants to Community Health Boards (CHBs).	-	4,070	3,243	3,243	3,243	-	18
CDC (93.539)	MN Immunization PPHF - Supports promotion of immunizations across the lifespan thru state operations, vaccine-preventable disease surveillance, immunization information systems, implementation of the federal Vaccines for Children program, and grants to Community Health Boards (CHBs).	-	1,340	2,550	2,550	2,550	-	12
CDC (93.733)	Immunization Information Systems - Supports use of the Assessment, Feedback, and Incentives, eXchange (AFIX) process to improve immunization service delivery and raise vaccination coverage levels.	-	100	300	28	0	-	2
CDC (93.733)	Strengthen Public Health Immunization Infrastructure and Performance - Minnesota Immunization Registry (MIIC) Infrastructure Enhancement.	-	1,045	539	133	0	-	6
CDC (93.733)	Vaccine Tracking System (VTrckS) PPHF - Order and manage publicly funded vaccines more efficiently.	-	252	252	41	0	-	2
CDC (93.755)	New Refugee Disease Surveillance - Prevention and Public Health Fund - Supports activities to reduce infectious diseases among newly arrived refugees, including education, disease tracking and state operations.	-	119	33	0	0	-	0
CDC (93.755)	Surveillance for Diseases Among Immigrants and Refugees - Minnesota Center Of Excellence Network - training and epidemiology In refugee health.	-	179	1,214	677	677	-	1
CDC (93.758)	Preventive Health and Health Services (PHHS) Block Grant - Flexible funds that can be targeted to fill funding gaps in programs that deal with leading causes of death and disability, as well as the ability to respond rapidly to emerging health issues including outbreaks of foodborne infections and water borne diseases.	-	471	429	429	429	MOE	5
CDC (93.815)	Epidemiology and Laboratory Capacity (ELC) - Supports public health infectious disease infrastructure for surveillance, laboratory capacity and IT capacity.	-	384	1,957	1,958	0	-	8

Federal Agency (CFDA)	Federal Award Name and Brief Purpose	New Grant	FY2016 Actual	FY2017 Estimate	FY2018 Budget	FY2019 Budget	Required State Match or MOE?	FTEs
CDC (93.940)	Comprehensive HIV Prevention - Supports AIDS/HIV prevention activities including state operations and grants to community-based organizations (CBOs). This grant also supports linking individuals living with HIV into care to reduce risk of transmission and susceptibility to other infections.	-	1,987	1,887	944	0	-	12
CDC (93.944)	HIV/AIDS Surveillance - Supports state operations for disease surveillance and outbreak control activities.	-	405	433	419	419	-	4
CDC (93.977)	Prevention of Sexually Transmitted Diseases - Enhances STD surveillance data to improve understanding of the population at risk for STDs.	-	205	300	300	300	-	1
CDC (93.977)	Prevention of Sexually Transmitted Diseases - Enhances STD surveillance data to improve understanding of the population at risk for STDs.	-	1,046	1,116	1,116	1,116	-	8
EPA (66.472)	Beach Monitoring Lake Superior - Supports water testing for e. coli at beaches along the Lake Superior Coast.	-	114	196	196	196	-	3
	<b>Infectious Disease, subtotal</b>		<b>21,271</b>	<b>26,867</b>	<b>24,033</b>	<b>20,099</b>		
CDC (93.184)	Disabilities Prevention - Develop, implement, and measure the effectiveness of interventions that promote the health and wellness of people with disabilities and prevent secondary conditions across the lifespan	-	0	150	150	150	-	1
CDC (93.305)	National Tobacco Control - Funding continues programmatic Efforts to reduce morbidity and its related risk factors and to reduce premature death associated with tobacco use. It also continues surveillance efforts to measure the public health impact of these programs.	-	975	991	991	991	-	9
CDC (93.735)	Ensuring Quitline Capacity - Enhances stop smoking opportunities for Minnesotans through health systems change.	-	275	270	270	270	-	1
CDC (93.758)	Preventive Health and Health Services (PHHS) Block Grant - Flexible funds that can be targeted to fill funding gaps in programs that deal with leading causes of death and disability, as well as the ability to respond rapidly to emerging health issues including outbreaks of foodborne infections and water borne diseases.	-	856	845	845	845	MOE	7

CDC (93.283)	Emerging Infections Program (EIP) - Minnesota is one of 10 states serving as a sentinel site for emerging infectious disease surveillance. Supports state operations for specialized studies of emerging infections.	-	1,906	1,778	1,778	1,778	-	14
CDC (93.317)	Emerging Infections Program (EIP) - Minnesota is one of 10 states serving as a sentinel site for emerging infectious disease surveillance. Supports state operations for specialized studies of emerging infections.	-	56	0	0	0	-	0
CDC (93.521)	Emerging Infections Program (EIP) Prevention and Public Health Fund - Minnesota is one of 10 states serving as a sentinel site for emerging infectious disease surveillance. Supports state operations for specialized studies of emerging infections.	-	71	195	195	195	-	2
CDC (93.521)	Emerging Infections Program (EIP) Prevention and Public Health Fund - Minnesota is one of 10 states serving as a sentinel site for emerging infectious disease surveillance. Supports state operations for specialized studies of emerging infections.	-	0	450	450	450	-	5
CDC (93.283)	Emerging Infections Program (EIP); Cytomegalovirus (CMV) amendment - Minnesota is one of 10 states serving as a sentinel site for emerging infectious disease surveillance. Supports state operations for specialized studies of emerging infections. Specifically, CMV in public health clinical sensitivity study.	-	0	325	500	500	-	0
CDC (93.069)	Public Health Emergency Preparedness (PHEP) - Supports state, local and tribal public health preparedness and response to emergencies that affect the public's health	-	1,993	2,087	2,087	2,087	MOE	12
CDC (93.074)	Hospital Preparedness Program (HPP) and Public Health Emergency Preparedness (PHEP) Aligned Cooperative Agreements - Lab Supplement - Supplemental funding supports state, local and tribal public health laboratory preparedness and response to emergencies that affect the public's health.	-	358	550	100	100	MOE	0
CDC (93.116)	Tuberculosis Elimination - Supports TB prevention and control activities including state operations and grants to CHBs.	-	142	122	122	122	-	1
CDC (93.314)	Early Hearing Detection and Intervention (EHDI) - Supports a centralized newborn hearing screening tracking and surveillance system capable of accurately identifying, matching, collecting, and reporting data.	-	0	95	100	100	-	0
CDC (93.521)	Epidemiology and Laboratory Capacity (ELC) - Supports public health infectious disease infrastructure for surveillance, laboratory capacity and IT capacity.	-	406	609	609	609	-	3

Federal Agency (CFDA)	Federal Award Name and Brief Purpose	New Grant	FY2016 Actual	FY2017 Estimate	FY2018 Budget	FY2019 Budget	Required State Match or MOE?	FTEs
CDC (93.521)	Epidemiology and Laboratory Capacity (ELC) - Supports public health infectious disease infrastructure for surveillance, laboratory capacity and IT capacity.	-	838	4,400	4,500	4,500	-	24
CDC (93.815)	Epidemiology and Laboratory Capacity (ELC) - Supports public health infectious disease infrastructure for surveillance, laboratory capacity and IT capacity.	-	98	540	540	540	-	2
CMS (93.778)	Medical Assistance Program - Health information exchange planning for Minnesota Immunization Information Connection (MIIC) and public health laboratory.	-	0	276	276	276	-	0
DHHS (93.817)	Hospital Preparedness Program (HPP) Ebola - Part B - Preparation and response activities related to Ebola.	-	13	0	0	0	-	0
USDHS (97.091)	Biowatch - Maintains the Biowatch Program's early warning system through an ambient air-monitoring network in the Minneapolis-St. Paul Metropolitan area.	-	1009	995	1,100	1,100	-	6
	<b>Public Health Laboratory, subtotal</b>		<b>6,989</b>	<b>12,422</b>	<b>12,357</b>	<b>12,357</b>		
	<b>Department of Health, total</b>		<b>247,471</b>	<b>284,735</b>	<b>265,906</b>	<b>254,872</b>		

#### Narrative:

The Department of Health relies on substantial federal investments in order to protect, maintain and improve the health of all Minnesotans. In FY 2016, federal funding accounted for \$ 247 million—or nearly half—of all department expenditures. The largest sources of federal funding at the department originate from the U.S. Department of Agriculture's Women, Infants and Children's program (\$123 million or 49%), the Centers for Disease Control and Prevention (\$63 million or 25%) and the Health Resources and Services Administration (\$22 million 9%). The Department of Health also receives federal funding from the Environmental Protection Agency, Administration for Children and Families and the Office of the Secretary for Health and Human Services, among other federal sources. The department uses federal funding to plan for and respond to public health emergencies, supply and equip a modern laboratory, track the spread of deadly diseases and debilitating conditions, promote health, maintain a highly skilled workforce and support communities with expertise and grant funding.

#### Acronyms:

- ACF – Administration for Children and Families
- CDC – Centers for Disease Control and Prevention
- CFDA – Catalogue of Federal Domestic Assistance
- CMS – Centers for Medicare and Medicaid Services
- DHHS – U.S. Department of Health and Human Services
- DOE – U.S. Department of Education
- EPA – Environmental Protection Agency
- HRSA – Health Resources and Services Administration
- MOE – Maintenance of Effort
- NIH – National Institutes of Health
- SAMHSA - Substance Abuse and Mental Health Services Administration
- USDA – U.S. Department of Agriculture
- USDHS – U.S. Department of Homeland Security
- USDOJ – U.S. Department of Justice

# FY 2018-19 Federal Funds Summary

## Human Services

(Dollars in Thousands)

Federal Agency and CFDA#	Federal Award, Grant Purpose, People Served	SFY 2016 Actuals	SFY 2017 Budget	SFY 2018 Base	SFY 2019 Base	Required State Match or MOE Y/N	FTE
Dept. of Health & Human Services, CMS 93.506	<b>ACA-Nationwide Program for National and State Background Checks for Direct Patient Access Employees of Long-term Care Facilities and Providers:</b> DHS conducts background studies for health and human services programs licensed by DHS, MDH, and some at the Department of Corrections (DOC). This new grant will provide increased fingerprint identification resources and will include a "rap back" feature to identify staff who may need to be disqualified after the initial routine background check.	\$1,191	\$1,509	\$1,153	\$1,153	Yes	9.0
Dept. Of Agriculture, Food and Nutrition Service 10.551	<b>Supplemental Nutrition Assistance Program (SNAP):</b> Provides help with food for more than 475,000 persons per month receiving an average monthly payment of \$108.	\$569,390	\$590,609	\$591,468	\$593,844	No	0.0
Dept. of Health & Human Services, Admin.for Children and Families 93.558	<b>Temporary Assistance for Needy Families (TANF) Block Grant:</b> Grants to assist needy families with children so that children can be cared for in their own homes; to reduce dependency by promoting job preparation, work, and marriage; to reduce and prevent out-of-wedlock pregnancies; and to encourage the formation and maintenance of two-parent families. These funds are used to provide grants to counties and tribes to provide support services for Minnesota Family Investment Program (MFIP)/Diversionary Work Program (DWP) participants that include job search/skills, adult basic education, GED classes, job coaching, short-term training, county programs to help with emergency needs, and help accessing other services such as child care, medical care and CD/Mental health services. In 2015, an average of 27,000 people were enrolled in employment services each month. TANF also helps fund the MFIP/DWP cash benefit program and child care	\$237,044	\$272,566	\$276,251	\$266,905	Yes	14.7

	assistance programs as well as other programs that help low-income families with children.						
Dept. of Health & Human Services; Admin. For Children & Families 93.575 and 93.596	<b>Child Care and Development Block Grant (CCDF):</b> Provides funds to States to increase the availability, affordability, and quality of child care services for low-income families where the parents are working or attending training or educational programs. This grant helps fund the Minnesota Family Investment Program (MFIP) and Basic Sliding Fee Child Care Assistance Programs that help low-income families pay for child care so that parents may pursue employment or education leading to employment. Also funded are Child Care Development Grants that promote services to improve school readiness, and the quality and availability of child care in Minnesota. In FY 2013, an average of 16,988 families per month received child care assistance subsidies. Also in FY 2013, 19,500 parents received referrals to find child care and child care-related training was provided to more than 32,000 attendees through Child Care Resource & Referral agencies.	\$132,960	\$138,138	\$130,213	\$130,213	93.575-Yes 93.596 - No	33.9
Dept. of Health & Human Services, CMS	<b>Federal Basic Health Funding:</b> The MinnesotaCare program is currently operating as a federal basic health plan (BHP) under section 1331 of the Affordable Care Act. Under the BPHS currently receives federal basic health plan funding equal to 95 percent of federal tax credits and cost sharing subsidies available to people who would otherwise enroll in a health insurance exchange. This funding supports comprehensive health care coverage for 110,000 lower income Minnesotans.	\$333,992	\$364,218	\$399,644	\$411,176	Yes	0.0
Dept. of Health & Human Services, CMS 93.777	<b>State Survey and Certification of Health Care Providers and Suppliers:</b> This grant provides funding for a contract with Minnesota Department of Health (MDH) to certify nursing homes and rehabilitation providers in accordance with requirements from the Centers for Medicare and Medicaid Services. These providers may not participate in the Medicaid program unless they are certified.	\$8,523	\$8,523	\$8,523	\$8,523	Yes	0.0

#### Narrative:

The Department of Human Services (DHS) receives, manages and expends approximately 80% of all federal funds received by state executive branch agencies. Federal Medicaid funding for health and long term care services account for the most of the agency's federal fund expenditures, amounting to 72% of projected DHS federal expenditures in SFY 2018. DHS expenditures of federal funds increased by over 50% from FY2012 to FY2016, driven largely by expansion and change in matching fund arrangements of the Medical Assistance program.

Many of the large entitlement programs administered by DHS are funded through a combination of state and federal funds, and are governed by various matching fund and maintenance of effort requirements. Base budgets for these entitlement programs (and the associated federal share of funds) are set consistent with state law on expenditure forecasts and the state budget. Examples of these forecasted programs include Medical Assistance (Medicaid), Minnesota Care (Basic Health Program), Supplemental Nutrition Assistance Program (SNAP), Minnesota Family Investment Program (Temporary Assistance for Needy Families or "TANF"), Child Care, and Children's Foster Care program (Title IV-E).

DHS also receives and distributes a number capped or non-entitlement federal grants, including a number of "block grants" which supplement state and local expenditures for specific categories of services. Examples of these include the Social Services Block Grant, the Child Development Block Grant, the Community Mental Health Services Block Grant, the Substance Abuse Prevention and Treatment Block Grant and others. Budgets for these types of grants are typically tied to the annual federal allocations to the state, and then translated from a federal fiscal year basis to a state fiscal year basis.

Finally, DHS receives a number of smaller, time-limited federal grants that are available to help meet specialized needs, or to help facilitate improvements in human services delivery.

Dept. of Health & Human Services, Center for Medicare & Medicaid Services (CMS), Center for Consumer Information and Insurance Oversight (CCIIO) 93.525	CCIIO Health Insurance Exchange Establishment Grants (authorized under Section 1311 of the Affordable Care Act):  Provides start-up funding to States seeking to establish a State-based Exchange.		25,330	8,857	6,788	0	No	163
	Agency Total		25,330	8,857	6,788	0		

### Narrative:

Exchanges, such as MNsure, help qualified individuals and qualified small employers shop for, select, and enroll in high-quality, affordable private health plans that fit their needs at competitive prices. Exchanges also assist eligible individuals to receive premium tax credits and cost sharing reductions.

CCIIO establishment grants funds were originally available to States through calendar year 2015. MNsure has received extensions for continued use of these funds through December 31, 2017 to complete the development, design and implementation (DDI) of the system, and consumer assistance activities associated with the extended period of IT development.

In Minnesota, the Exchange (MNsure) is also used to determine eligibility and facilitate enrollment in the public health care programs administered by DHS (Medical Assistance and MinnesotaCare). Accordingly, CCIIO establishment grant funding is being coupled with funding from the federal Medicaid program to pay for the development of MNsure's IT system. There is a state match requirement associated with federal Medicaid IT development funding (impacts DHS budget)

**Narrative:**

Federal funds are accepted at the DNR when they support the mission, strategies, goals and objectives found in the DNR's Strategic Conservation Agenda. The Federal Funds Summary Table below lists anticipated revenues for incoming federal funds, their use, number of FTE positions needed to implement, and whether funds are new and require a state match and/or maintenance of effort. Federal funds include discretionary continuing programs, funds based on funding formulas, competitive grants, and project grants.

Federal Fund accounts include:

1. Incoming federal grant or federal cooperative agreement revenue deposited directly to a federal (3000 fund) account.
2. Federal grant funds awarded to the DNR that are then passed-through to another entity.

Outgoing grants funded from federal dollars are estimated throughout the spending period of the grant, rather than estimated in the first year of the grant award. Estimates are based on the best federal funding information available at the time this report is prepared. Most new federal awards that impact state fiscal years 2016-2017 have not yet been confirmed. Therefore, we used historical trend information from recent years to estimate future revenues, as well as any knowledge of changing funding levels or trends that may impact future awards.

Specific funding level changes or trends by division include:

- Parks and Trails Division: Anticipating an extra \$500,000 a year in federal expenditures for our Boating Safety Financial Assistance Award this biennium.
- Enforcement Division: Currently does not anticipate receiving any new federal awards in the upcoming biennium. Enforcement had one federal award for the previous biennium. If Enforcement receives new, unanticipated awards, the DNR will seek spending authority through the LAC process.

Major state funding is required related to the federal awards listed in this summary as most grants are implemented on a reimbursement basis and may require a state match or a maintenance of effort.

### Narrative:

Perpich Center receives federal reimbursement through the Minnesota Department of Education for the following programs:

- Free/Reduced Breakfast
- Free/Reduced Lunch
- Special Education
- Title I – Improving the Academic Achievement of the Disadvantaged
- Title II – Teacher and Principal Training and Recruitment

It is anticipated that the reimbursement through MDE for each program will remain steady at FY17 levels.

In addition, Minnesota, through the Perpich Center, received a pilot grant from the National Endowment for the Arts, along with two other locations nationally, for a program called The Songwriting Challenge. The Songwriting Challenge is an opportunity for any high school student from the three metropolitan areas to showcase their songwriting talents, and compete for the opportunity to be one of three to six local winners traveling to New York City to:

- Learn more about songwriting, and sharpen their songwriting skills;
- Engage with professional musicians, singers, songwriters and producers through an intensive songwriting workshop;
- Experience their original song performed by professional musicians and singers;
- Participate in a final competition with judges from the musical theater industry.

This Cooperative Agreement supports the outreach to students in the identified areas and implementation of the Songwriting Challenge competition. The Mentorship/Finalist Competition component will be supported outside of this Cooperative Agreement. In addition, the Cooperator may be invited to participate in an evaluation of this pilot.

Perpich Center is prepared to apply for a second year grant opportunity when there is a future announcement from NEA.

## Narrative:

### MnDOT Federal Funds Narrative

The major federal fund accounts include federal grants revenue deposited in the federal fund either on an advance or reimbursement basis. Federal Highway Administration (FHWA) federal aid, the agency's largest federal program, is on a cost reimbursement basis, with a significant portion of program reimbursements deposited directly into the Trunk Highway Fund for the department's state road construction program.

### Changing Funding Levels or Trends that may Impact Future Awards

While the federal government has never reduced the major federal transportation spending programs in the past, all are awaiting multiple year reauthorizations. A major stumbling block for the FHWA and Federal Transit Administration (FTA) is the insolvency of the Federal Transportation trust fund, both the Highway and Transit components and the unwillingness of legislators to come together on funding sources to solve the problem. If new funding sources are not identified, at some point legislators may be forced to reduce the level of federal participation in Transportation.

### Maintenance Level of Effort:

Programs funded by federal dollars are also support by state dollars. State funds would continue to support the programs in the event federal funding ended.

**Related State Spending:**

Federal funds are matched by varying state funds depending on the program. For example, the major FHWA program is matched by a combination of trunk highway fund, municipal and county state aid funds, and local government funds depending on the project. The major Federal Aviation Administration program is matched by local government funds. General funds, revenues from the motor vehicle sales tax and local government funds match the federal funding from the FTA programs. The regular formula federal funds are typically split 80% federal 20% state.

**Basis for Estimates:**

Estimates are based on the best funding information currently available to MnDOT program managers. Overall, federal funds anticipated during the FY 2016-17 biennium will be a reduction from the 2014-15 biennium due to American Recovery and Reinvestment Act (ARRA) projects nearing completion and better estimates from project managers based on project schedules and costs. The change in MS 3.3005, subd. 7, approving the spending of federal funds to the end of the biennium also contributed to this endeavor.

# FY 2018-19 Federal Funds Summary

## Board of Water and Soil Resources

(Dollars in Thousands)

Federal Agency and CFDA #	Federal Award Name and Brief Purpose	New Grant	FY2016 Actuals	FY2017 Budget	FY2018 Base	FY2019 Base	Required State Match or MOE?	FTEs
U.S. Army 12.401	Permanent Resource Protection: Grants for permanent easements surround the Camp Ripley National Guard Base	No	3,464	3,206	2,000	2,000	No	0.77
U.S. Army, Corp of Eng.(COE) 10.912	Permanent Resource Protection: Interagency agreements with the COE to pay for portions of BWSR staff time in conservation related duties	No	115	50	45	45	No	0.50

U.S. Dept Ag, NRCS 10.072	Permanent Resource Protection: Wetland Restoration efforts.	No	256	32	0	0	50% match. No MOE	0.00
U.S. Dept Ag, NRCS 10.902	Board Admin and Agency: Expand technical training and certification of conservation professionals.	Yes	0	125	125	125	50% match No MOE	1.00
U.S. Dept Ag NRCS 10.902	Board Admin and Agency Ops: Wetland Mitigation Banking Program	Yes	0	28	316	316	No match or MOE	0.50
U.S. Dept Ag NRCS 10.902	Land and Water Cons Projects: Targeted Watershed Based Conservation Planning	Yes	0	500	500	500	Yes	0.00
LW Cons Proj	Program Total		0	500	500	500		0.00
Perm Res Prot.	Program Total		3,848	3,401	2,045	2,045		1.27
Board Admin	Program Total		0	182	505	505		2.25
	Federal Fund – Agency Total		3,848	4,083	3,050	3,050		3.52

### Narrative:

Federal funds use is intermittent in the agency. NRCS is the Natural Resource Conservation Service.

The U.S. Army Compatible Use Buffer (ACUB) Program provides funds for purchases of easements. The program is ongoing and entirely dependent on federal fund availability year to year. FY2018 and beyond are estimates only. There is no state match or MOE.

The U.S. Army Corp of Engineers contracts with BWSR to do federal portion of work that is in shared federal/state programs. BWSR already has staff doing the state side of the work, and sometimes the COE enters into Interpersonal Agreements for state staff to do some federal project work. There is no state match required and the federal work offsets state work time. There is no MOE. Agreements are short term and estimates are based on history.

The EPA agreement is new in FY2017. The state and federal government are partners in wetland mitigation and wetland restoration. This agreement will have a 75% contribution. There is no MOE.

The Minnesota Ag Water Quality Program ended in FY2017. It was a cooperative agreement with the MN Department of Agriculture and the U.S. Department of Ag. The BWSR contribution was from the Clean Water Fund.

The Wetland Restoration agreement with the NRCS was in effect multiple years but ended in FY2017.

The Technical Training and Certification agreement with NRCs is new. It will increase training efforts of local government conservation employees who work in partnership with BWSR in conservation efforts. There is a 50% state match and no MOE. The funding estimate is based on the state/federal agreement.

The Wetland Banking Mitigation Program is a new agreement with NRCS to help agricultural producers to meet wetland conservation compliance requirement necessary to remain eligible for USDA Programs. The goal of the partnership is to increase quality wetland mitigation opportunities for Minnesota producers through the State Agricultural Wetland Bank administered by BWSR. There is no state match requirement and no MOE. The funding estimate is based on the state/federal agreement.

The Targeted Watershed Based Conservation Planning Program is a new agreement with NRCS to provide landowners in up to eleven sub-watersheds in MN additional technical and financial assistance to conduct on-farm environmental assessment, conservation plans. These assessments and plans will lead to accelerated enrollment in federal and state conservation assistance programs in the targeted watersheds with the goal of scaling up the adopting and implementation of soil and water conservation practices that will have a measurable effect on improving water quality and soil health.
