DRAFT

From Executive Order 19-13, page 3 - 4

The duties of the Subcabinet are to:

- a. Work to ***identify and address barriers*** to providing services and meaningful opportunities within the most integrated settings for persons with disabilities throughout Minnesota.
- b. Work to ***identify and address areas of disparity*** in opportunities for individuals with disabilities to live, work, and engage in the most integrated settings.
- c. ***Engage communities with the greatest disparities in health outcomes*** for individuals with disabilities and work to identify and address barriers to equitable health outcomes.
- d. Provide oversight for and monitor the implementation and amendment of the Olmstead Plan and the impact of the Plan on the lives of people with disabilities.
- e. Provide ongoing recommendations for further amendment of the Olmstead Plan.
- f. Ensure interagency coordination of the Olmstead Plan implementation and amendment process.
- g. Convene periodic public meetings to engage the public regarding Olmstead Plan implementation and amendments.
- h. Engage persons with disabilities and other interested parties in Olmstead Plan implementation and amendment process and develop tools to keep these individuals aware of the progress on the Plan.
- i. Continue to implement the Quality of Life survey process to measure the quality of life of people with disabilities over time and continue to identify and implement quality improvement strategies.
- j. Convene, as appropriate, workgroups consisting of people with disabilities, families of people with disabilities, advocacy organizations, service, treatment, and health care providers, and/or governmental entities of all levels that are both members, and non-members, of the Subcabinet.

Prevention of Abuse and Neglect Public Awareness Campaign

Summary of working group meeting on September 27th

Working group membership

- Membership should include representatives from agencies that are contributing to the funding of the campaign.
- OMHDD has a contract with Russell Herder through June 2020 and want to continue to manage that contract through June 2020.
- Consideration needs to be given to long term leadership to ensure sustainability over time.

Status of the campaign

- The Campaign will use the One Minnesota theme to guide messaging.
- By October 31, 2019, Colleen Wieck has committed to completing supplemental interviews with individuals from racial and ethnic groups (such as African American, Somali, Hmong, American Indian and Hispanic). Those clips would be incorporated into the existing video products.
- By December 31, 2019, the current vendor will convene focus groups with leaders of diverse and ethnic communities and providers who serve those communities.
- By June 30, 2020, the vendor will design new components to the campaign, update messaging based on the findings or recommendations of the focus groups.

Other areas for future consideration

- Other populations
 - People who are elderly with disabilities
 - Individuals with disabilities experiencing homelessness
 - School-aged children with disabilities and their families
- Explore the connection with DHS initiatives around prevention campaigns
- Other recommendations in the “Comprehensive Plan for Prevention of Abuse and Neglect of People with Disabilities” that should be considered for implementation in addition to the awareness campaign.

Next steps

- Working group will finalize workplan and budget to present to the Executive Committee
