

PILOT PARENT TRAINING EVALUATION

1. Was the training session meaningful to you? Briefly explain.
2. Which of the topics did you find most instructive and/or enjoyable? Which were the least worthwhile?
3. Who among the lecturers did you find most instructive and/or enjoyable? Include any specific comments you would like to make.
4. Were the reading assignments helpful and adequate? Did you find other readings which you would recommend? If so, please give references.
5. Which parts of the training session would you modify, add to, or eliminate? Explain.
6. Any suggestions as to how we could improve the orientation?
