Dear Pilot Parent Committee,

Here's the revised January Training sessions:

Jan 10	Session #1	<u>New Directions for Parents of the Retarded</u> (Human Dignity Movement to Developmental To Normalization) Bob Perske
Jan 17	Session #2	<u>Referral Services for Parents</u> (A Panel led by Shirley Dean)
Jan 24	Session #3	<u>The Human Situation of The Parents</u> (Fact, feeling and response) Rose Meile
Jan 31	Session #4	<u>Counseling Parents of the Retarded</u> (As a pilot parent could do it.) Dr. Frank Menolascino

As I understand it, you want to opt for a fifth session. Also, Fran has some information about how there may be a session where we can tie in our Pilot Parent organization with the state Empathy Bureau organization. Fran, I'm sure you'll be passing that information at the next committee meeting.

Gosh! The Pilot Parents Training thing looks good!

Cordially,

*Bob Perske* /ll
