

*"If you think you are handicapped,
you might as well stay indoors;
if you think you are a person,
come on out and tell the world."*

THE QUEST:

*To dream the impossible dream,
to fight the unbeatable foe,
to bear with unbearable sorrow,
to run where the brave dare not go,
to right the unrightable wrong,
to love pure and chaste from afar,
to try when your arms are too weary,
to reach the unreachable star!
This is my quest - to follow that star,
no matter how hopeless -
no matter how far,
to fight for the right
without question or pause,*

*to be willing to march into hell
for a heavenly cause,
and I know if I'll only be true
to this glorious quest,
that my heart
will lie peaceful and calm
when I'm laid to my rest,
and the world will be better for this,
that one man scorned
and covered with scars,
still strove
with his last ounce of courage,
to reach the unreachable star!*
