

STATE OF MINNESOTA
DEPARTMENT OF ADMINISTRATION
SAINT PAUL

COMMISSIONER

April 28, 1960

To All Participants in the Minnesota Self-Survey:

You will recall my letter of April 1 in which I notified you that we were scheduling a one-day Self-Survey report session for Thursday, June 2, at the University of Minnesota.

We have found it extremely difficult to avoid major conflicts in scheduling a session of this scope on one day. As a result, I write now to notify you that the one-day general session on June 2 is canceled and that we are scheduling instead a series of smaller meetings at which the reports of Phase 3 of the Self-Survey will be made.

Governor Freeman will attend all of the report sessions, as outlined in the attached schedule, each of which will cover one functional area of state operations. Governor Freeman looks upon these report sessions as an opportunity not only to review the findings and recommendations of Phase 3 of the Self-Survey, "but also to become further acquainted with the progress and needs of the particular areas.

I hope that the date of your task force report session will be convenient for you. I know that Governor Freeman will appreciate an opportunity of thanking you personally for the contribution you have made to the work of your task force.

Sincerely,

Arthur Naftalin
Commissioner of Administration
