FROM: Miss Jo Anne Haas, Informational Writer

SUBJECT: "Minnesota Mental Health Program - Publications and Presentations"

We are preparing a new listing for the last biennium (July 1, 1965-June 30, 1967).

The category of "publications" will include only actual publications in journals and books during this period. It will not include articles submitted or accepted, but not in print; newspaper items or self-published articles.

The section on "presentations" will include papers read at national, regional or state professional and other organizations' meetings, and major out-of-state conferences. It will not include organization committee meetings, meetings under state sponsorship or semi-informal meetings.

Would you please send me a listing of appropriate articles written by you and your staff by August 1.

Please include full names, title of paper, journal, issue (volume and number, date and year).....complete name of organization, title of conference, location of meeting (city and state), date and year.

Thank you.

Faribault State Hospital
Faribault, Minnesota 55021

Miss Jo Anne Haas, Informational Writer
Department of Public Welfare
