PLEASE NOTE:
Questions 7 through 10 are directly related to the outcomes required in the federal law that funds the Partners program:
7. Since graduating from the Partners program, I (or a family member with a disability) am more independent* at work, home, or school.  Yes ☐ No ☐

* Independent means the extent to which individuals exert control and choice over their lives.

8. Since graduating from the Partners program, I (or a family member with a disability) am more productive*. Yes ☐ No ☐

* Productivity means starting employment, higher wages or benefits, improved job status or a job promotion.

9. Since graduating from the Partners program, my level of self determination* (or that of a family member with disability) has increased. Yes ☐ No ☐

* Self determination means taking responsibility for personal decisions and actions – such as making decisions about money and needed resources; choosing where and with whom to live.

10. Since graduating from the Partners program, I (or or a family member with a disability) have experienced more community integration and inclusion*. Yes ☐ No ☐

* Integration and inclusion mean living, working and participating in the local community along with citizens without disabilities.

11. Since graduating from the Partners program, I have contacted public officials about needed services or improvements in the quality of services. Estimate the number of contacts made at each level of government. Federal #___________ State #_____________ Local #_____________

12. If you answered Number 11, tell us the type of contacts you have made with public officials since graduation. Estimate the number for each type of contact. Letters/emails #___________ Phone calls #_____________ Visits #_____________
14. What other opportunities have you had to educate the public about the abilities of people with disabilities and how individuals, local, and community decisionmaking can best meet the needs of each person. Estimate the number for each activity.
