Listed below is a general overview of exclusions and limitations and is not intended to be a complete description. Only those services and supplies specifically listed in the Dental Benefit Plan Summary are covered under the plan, regardless of dental necessity.
In addition to specific exclusions set forth in other sections of this Dental Benefit Plan Summary, coverage is NOT provided for:

- Dental services which a Covered Person would be entitled to receive for a nominal charge or without charge if this Contract were not in force under any Worker's Compensation Law, Federal Medicare program, or Federal Veteran's Administration program. However, if a Covered Person receives a bill or direct charge for dental services under any governmental program, then this exclusion shall not apply. Benefits under this Contract will not be reduced or denied because dental services are rendered to a Subscriber or dependent who is eligible for or receiving Medical Assistance pursuant to Minnesota Statute Section 62A.045.

- Dental services or health care services not specifically covered under the Dental Plan Contract (including any hospital charges, prescription drug charges and dental services or supplies that are medical in nature).

- New, experimental or investigational dental techniques or services may be denied until there is, to the satisfaction of the Plan, an established scientific basis for recommendation.

- Dental services performed for cosmetic purposes. NOTE: Dental services are subject to post-payment review of dental records. If services are found to be cosmetic, we reserve the right to collect any payment and the member is responsible for the full charge.

- Dental services completed prior to the date the Covered Person became eligible for coverage.

- Services of anesthesiologists.

- Anesthesia Services, except by a Dentist or by an employee of the Dentist when the service is performed in his or her office and by a dentist or an employee of the dentist who is certified in their profession to provide anesthesia services.

- Deep sedation/general anesthesia, analgesia, analgesic agents, anxiolysis nitrous oxide, therapeutic drug injections, medicines, or drugs for non-surgical or surgical dental care. NOTE: Intravenous conscious sedation is eligible as a separate benefit when performed in conjunction with complex surgical services.

- Dental services performed other than by a licensed dentist, licensed physician, his or her employees.

- Dental services, appliances or restorations that are necessary to alter, restore or maintain occlusion, including but not limited to: increasing vertical dimension, replacing or stabilizing tooth structure lost by attrition, realignment of teeth, periodontal splinting and gnathologic recordings.

- Services or supplies that have the primary purpose of improving the appearance of your teeth. This includes but is not limited to tooth whitening agents or tooth bonding and veneer covering of the teeth.

- Orthodontic treatment services, unless specified in this Dental Benefit Plan Summary as a covered dental service benefit.

- Case presentations, office visits and consultations.

- Incomplete, interim or temporary services.

- Corrections of congenital conditions during the first 24 months of continuous coverage under this Plan.

- Athletic mouth guards, enamel microabrasion and odontoplasty.

- Retreatment or additional treatment necessary to correct or relieve the results of treatment previously benefited under the plan.

- Procedures designed to enable prosthetic or restorative services to be performed such as a crown lengthening.

- Bacteriologic tests.

- Cytology sample collection.

- Separate services billed when they are an inherent component of a Dental Service where the benefit is reimbursed at an Allowed Amount.

Limitations

a) Optional Treatment Plans: in all cases in which there are alternative treatment plans carrying different costs, the decision as to which course of treatment to be followed shall be solely that of the Covered Person and the dentist; however, the benefits payable hereunder will be made only for the applicable percentage of the least costly, commonly performed course of treatment, with the balance of the treatment cost remaining the payment responsibility of the Covered Person.

b) Reconstructive Surgery: benefits shall be provided for reconstructive surgery when such dental procedure is incidental to or follows surgery resulting from injury, sickness or other diseases of the involved part, or when such dental procedure is performed on a covered dependent child because of congenital disease or anomaly which has resulted in a functional defect as determined by the attending physician, to the extent as required by MN Statute 62A.25 provided, however, that such services are dental reconstructive surgical services.

c) Benefits for inpatient or outpatient expenses arising from dental services up to age 18, including orthodontic and oral surgery services, involved in the management of birth defects known as cleft lip and cleft palate as required by Minnesota Statutes Section 62A.042. For Programs without orthodontic coverage: Dental orthodontic services not related to the management of the congenital condition of cleft lip and cleft palate is not covered under this dental benefit program. For Programs with orthodontic coverage: If coverage for the treatment of cleft
lip or cleft palate is available under any other policy or contract of insurance, this plan shall be primary and the other policy or contract shall be secondary.
