

MNsure approved Continuing Education Providers 2014

MNsure has [posted](#) the approved CE vendors offering the new MNsure certification courses. All Agents and Brokers, regardless of certification status in 2013 must complete this course and all other certification requirements.

Coursework Completion

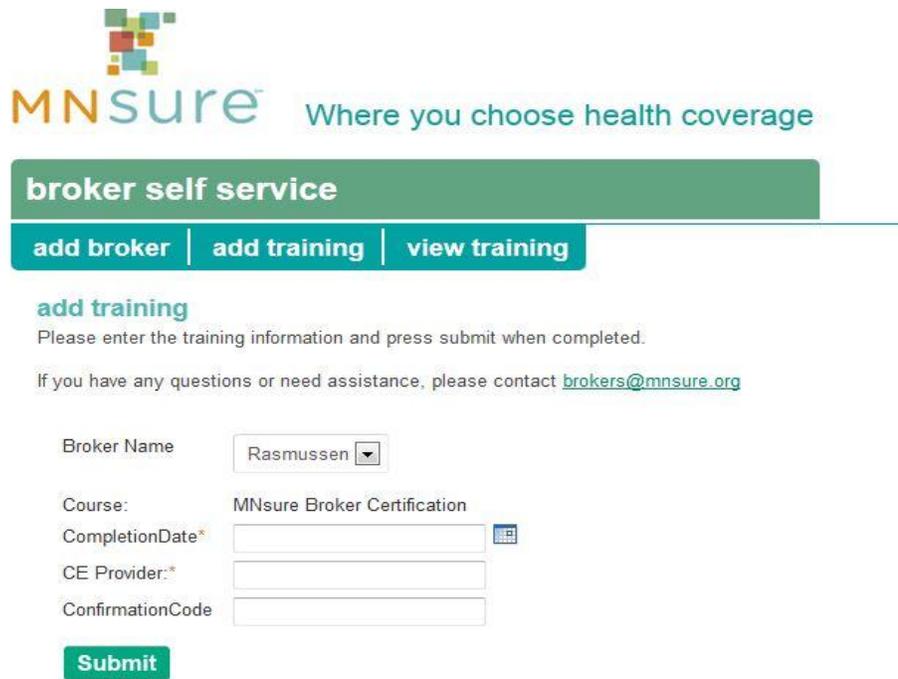

Choose one of the approved Continuing Education vendors from our [list](#). The MNsure certification course will be identified at each vendor as “**MNsure Broker Certification Training – 2014**”. Verify the name prior to registration in order to assure you are taking the correct coursework for credit towards your certification.

Based on your preferences, you can choose an approved CE vendor based on cost, classroom or webinar based instruction, and credits offered. Upon successful completion you will be awarded CE credits.

Track your Completion

Once the required MNsure certification coursework is completed notify the designated Account Administrator (this was set up during the initial registration process) at your Agency and request that your completion status is entered into the registration site. MNsure will not be able to complete certification and ultimately list you in the directory until this information is entered into the tracking system.

The fields marked with an asterisk shown in the screen shot below are required fields. A confirmation number is not necessary for the information to register.

The screenshot shows the MNsure logo with the tagline "Where you choose health coverage". Below the logo is a green bar with the text "broker self service". Underneath this bar are three buttons: "add broker", "add training", and "view training". The "add training" button is highlighted. Below the buttons, the text "add training" is displayed in a larger font. A message follows: "Please enter the training information and press submit when completed." Below this message is a link: "If you have any questions or need assistance, please contact brokers@mnsure.org". The form contains the following fields: "Broker Name" with a dropdown menu showing "Rasmussen"; "Course:" with the text "MNsure Broker Certification"; "CompletionDate*" with an empty text box and a calendar icon; "CE Provider:*" with an empty text box; and "ConfirmationCode" with an empty text box. At the bottom of the form is a green "Submit" button.

Please [contact us](#) if you have questions.
