Training

We are aware that the resources links from the navigator training courses are not working properly. We apologize for the inconvenience and will notify you when the issue is resolved.

We are encouraging our partners to take another optional course. This is coursework provided to county financial workers, but may be helpful to navigators.

- MNSNAV301-MNSURE NAVIGATOR: COURSE THREE

The other optional course for those interested in learning more about agents, brokers and SHOP is also still available:

- MNSNAVOPT: MNSURE NAVIGATOR/ASSISTOR OPTIONAL COURSE

Both courses will be listed in your Learning Plan but are not required.

If you have submitted requests for training accounts for new staff, please understand that this takes some time. We will send the training account information directly to the individuals when their accounts have been created.
