

Welcome to MNsure:

Introducing a one-stop health insurance marketplace where Minnesotans like you can get help, compare and choose from a variety of health insurance companies to find quality, affordable coverage that fits your needs and your budget.

You may even qualify for a low-cost or free plan. MNsure will guide you through enrollment step by step, so you only need to fill out one application.

Get help

Get help in your community through a trusted organization or broker, or call the MNsure contact center.

Compare

Search by price, quality rating or for specific plan features.

Choose

Choose the plan that fits your needs from multiple insurance companies.

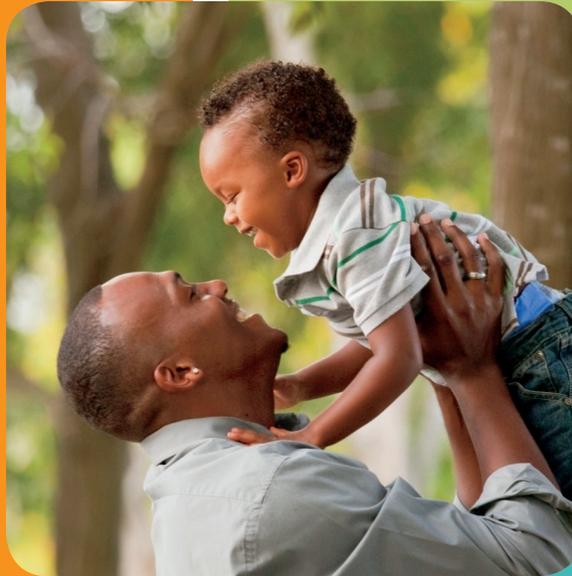

Having health insurance coverage means a better outlook for your future — your health, your family and your finances.
