7895.0350 QUARTER HORSE REGISTRATION.

Subpart 1. Broodmare registration. To be eligible to receive any breeders' award payments and to make a mare's foal eligible for restricted races, the following requirements must be met:

A. Prior to foaling, a broodmare must be in Minnesota and registered with the Racing Commission on or before March 15 of the year in which the broodmare will foal and must remain in Minnesota until foaling. A copy of the broodmare's original American Quarter Horse Association (AQHA) certificate or digital certificate (or Jockey Club certificate in the case of a Thoroughbred mare in foal to a Quarter Horse stallion) must be received by the Racing Commission. In the event the broodmare is a recipient mare, the broodmare must be registered via a form provided by the Racing Commission.

B. In the event a broodmare that is not registered with the Racing Commission should foal in Minnesota before March 15, the owner or lessee must submit a sworn affidavit to the Racing Commission attesting that the foal was born in Minnesota. The affidavit will be considered evidence that the foal is a Minnesota-bred horse and the owner of the broodmare or his or her agent must register the broodmare in accordance with item A. The attending veterinarian, licensed by the state of Minnesota, must certify on information and belief that the information provided by the owner, lessee, or agent is true and correct.

Subp. 1a. [See repealer.]

Subp. 1b. [See repealer.]

Subp. 1c. Fees.

A. Fees for all late broodmare registrations will be imposed as follows:

(1) A fee of \$50 will be imposed for broodmare registrations received March 16 to April 14 of the foaling year.

(2) A fee of \$100 will be imposed for broodmare registrations received April 15 to December 31 of the foaling year.

B. Failure to submit broodmare registration forms on or before January 1 of the year after foaling will require payment of a fee of \$300 to qualify for any subsequent claims for breeders' award payments or for the foal to be registered as a Minnesota-bred.

C. The Racing Commission may, at its discretion, request written documentation from any persons seeking late registration that the broodmare was in Minnesota as of March 15 of the foaling year.
