Per Minnesota Rule 7895.0275 Subpart 1. Stallion registration.
To be eligible to participate in the standardbred breeders' fund program, the following requirements must be met:

A. Stallions must be in Minnesota and registered or the registration renewed with the Racing Commission or official registering agency by January 31 of the current breeding year. The stallion's United States Trotting Association (USTA) certificate must be available for review by the Racing Commission. If the stallion is leased, a copy of the lease must accompany the registration application or renewal. The lease agreement must contain a statement that the lessee is authorized to sign the breeding certificate.
B. Stallions must remain in Minnesota for the entire breeding season from January 31 to July 31 unless:

(1) the commission is notified in writing by certified mail; and
(2) the stallion is leaving Minnesota for racing purposes, medical purposes, show purposes, or is sold through public auction or sold privately.
A stallion may not breed any mares while outside Minnesota.
A newly acquired stallion which has not been in Minnesota for breeding purposes before January 31 of the current breeding season may be eligible for stallion awards if the stallion has been properly registered with the commission prior to servicing any mare and the stallion has not serviced any mare after December 31 of the preceding year.
C. Late fees for late stallion registration will be imposed as follows:
(1) A late fee of $50 will be imposed for stallion registrations received February 1 to March 1 of the breeding year.
(2) A late fee of $100 will be imposed for stallion registrations received March 2 to May 1 of the breeding year.

D. Failure to submit stallion registration forms on or before May 1 of the breeding year will require a late fee of $300 to qualify for any subsequent claims for stallion award payments.
E. The commission may, at its discretion, request written documentation from any persons seeking late registration that the stallion was standing in Minnesota as of January 31 of the breeding year.
