7895.0125 THOROUGHBRED REGISTRATION.

Subpart 1. Broodmare registration. To be eligible to receive any breeders' award payments and to make a mare's foal eligible for restricted races, the following requirements must be met:

A. Prior to foaling, a broodmare must be in Minnesota and registered with the Racing Commission on or before March 15 of the year in which the broodmare will foal and must remain in Minnesota until foaling. A copy of the broodmare's Jockey Club physical or digital certificate must be received by the Racing Commission.

B. In the event a broodmare that is not registered with the Racing Commission should foal in Minnesota before March 15, the owner must submit a sworn affidavit to the Racing Commission attesting that the foal was born in Minnesota. The affidavit will be considered evidence that the foal is a Minnesota-bred or Minnesota-foaled horse and the

owner of the broodmare or his or her agent must register the broodmare in accordance with item A. The attending veterinarian, licensed by the state of Minnesota, must certify that the information provided by the owner or agent is true and correct.

C. Late fees for late broodmare registration will be imposed as follows:

(1) A late fee of \$50 will be imposed for broodmare registrations received March 16 to April 14 of the foaling year.

(2) A late fee of \$100 will be imposed for broodmare registrations received April 15 to June 13 of the foaling year.

D. Failure to submit broodmare registration forms on or before June 13 of the foaling year will require a late fee of \$300 to qualify for any subsequent claims for breeders' award payments or for the foal to be registered as Minnesota-bred.

E. The Racing Commission may, at its discretion, request written documentation from any persons seeking late registration that the broodmare was in Minnesota as of March 15 of the foaling year.
