\*Due to the health pandemic, it is not feasible for members of the Commission or the public to attend at the regular meeting location (Centennial Office Building in Saint Paul); instead, Commission members and members of the public may participate by telephone or other electronic means. Minnesota law provides that, if telephone or another electronic means is used to conduct a meeting, the Commission, to the extent practical, shall allow a person to monitor the meeting electronically from a remote location. The Commission may require the person making a connection to pay for the documented additional cost that the Commission incurs as a result of the additional connection. (The only anticipated connection costs are the user’s long-distance telephone charges.) This notice was posted on the MSGC web site on September 29, 2020.

View instructions on the Commission web site or contact staff for instructions on monitoring the meeting remotely. If you require special accommodations to attend this meeting, please contact the Minnesota Sentencing Guidelines Commission staff as soon as possible.
