STATEMENT OF ISSUE

The issue in this case is whether or not disciplinary action should be taken against the Respondent in accordance with Minn. Stat. §§ 148.261 and 148.262 (2000).

Based upon all of the proceedings herein, the Administrative Law Judge makes the following:

FINDINGS OF FACT

1. On July 19, 2002, a Notice of and Order for Prehearing Conference and Hearing in this matter was mailed to the Respondent at his last known address of P. O. Box 1197, Lac du Flambeau, Wisconsin 54538. The Notice of and Order for Prehearing Conference and Hearing scheduled the prehearing conference for August 19, 2002.

2. The Notice of and Order for Prehearing Conference and Hearing that was mailed to the Respondent contained the following statement:

If Respondent fails to appear without the advance consent of the administrative law judge at the prehearing conference or a settlement conference in this matter, Respondent shall be deemed in default and the allegations or issues in this notice may be taken as true without further evidence and the Board may revoke, suspend, and take other action against Respondent's license to practice professional nursing in the State of Minnesota. Respondent is further notified that if disciplinary action is taken against his license, he may be required to pay all costs of proceedings resulting in the action and a civil penalty as provided for in Minnesota statutes section 148.262.

3. The Respondent did not appear at the August 19, 2002, Prehearing Conference. Respondent did not contact the Board or the Administrative Law Judge to request a continuance. No Notice of Appearance was filed by Respondent in this matter.

4. The allegations set forth in the Notice of and Order for Prehearing Conference, are deemed proved and are incorporated into these Findings by reference.

Based upon the foregoing Findings of Fact, the Administrative Law Judge makes the following:

CONCLUSIONS

1. The Minnesota Board of Nursing and the Administrative Law Judge have subject matter jurisdiction herein pursuant to Minn. Stat. §§ 214.10, 214.103 and 14.50 (2000).

2. The Respondent was given timely and proper notice of the Prehearing Conference in this matter.

3. The Minnesota Board of Nursing has complied with all relevant substantive and procedural requirements of statute and rule.

4. Under Minn. Rule 1400.6000 (2001), the Respondent is in default as a result of his failure to appear at the scheduled prehearing conference.

5. Under Minn. Rule 1400.6000 (2001), when a party defaults, the allegations and the issues set out in the Notice of and Order for Prehearing Conference and Hearing may be taken as true and deemed proved. The Administrative Law Judge therefore takes those allegations and issues as true and deemed proved.

6. Based upon the facts set out in the Notice of and Order for Prehearing Conference and Hearing, the Respondent has violated Minn. Stat. § 148.261, subd. 1(4) (2001), and is subject to disciplinary action by the Minnesota Board of Nursing.

7. An order by the Board prescribing disciplinary action against the Respondent is in the public interest.

Based upon the foregoing Conclusions, the Administrative Law Judge makes the following:

RECOMMENDATION

IT IS HEREBY RECOMMENDED: That disciplinary action be taken against the R. N.. License of Bruce E. Walley by the Minnesota Board of Nursing.

Dated this 21ST day of August 2002.
