RE: Review of Adopted Permanent Rules of the Board of Podiatric Medicine Relating to Temporary Permits, License Fees, and Continuing Education; and Repeal of Rules Governing Waivers and Variances, Minn. R. Ch. 6900. OAH Docket No. 77-0912-12502-1.

Dear Ms. Benesh:

This is to inform you that the above-referenced rules have been approved as to legality on December 29, 1999. With the approval of the adoption of the rules, our office has closed this file and is returning the rule record to you so that your agency can maintain the official rulemaking record in this matter as required by Minn. Stat. § 14.365. Our office will file three copies of the adopted rules with the Secretary of State, who will forward one copy to the Revisor of Statutes and one copy to the Governor. You will then receive from the Revisor's Office three copies of the Notice of Adoption of your rules.

Your next step is to arrange for publication of the Notice of Adoption in the State Register. You should submit two copies of the Notice of Adoption that you receive from the Revisor's Office to the State Register for publication. A permanent rule without a hearing does not become effective until five working days after a Notice of Adoption is published in the State Register in accordance with Minn. Stat. § 14.27.
