In the Matter of the Proposed Rules
of the Minnesota Pollution Control Agency

Rules Chapters 7001 and 7035

**ORDER OF THE CHIEF
ADMINISTRATIVE LAW JUDGE**

This matter came before the Chief Administrative Law Judge pursuant to the provisions of Minn. Stat. § 14.15, subd. 3. Based upon a review of the record in this proceeding, the Chief Administrative Law Judge hereby approves in all respects the findings in the Report of the Administrative Law Judge dated June 16, 2014.

In order to correct the defects enumerated by the Administrative Law Judge in the attached Report, the agency shall make changes to the rule to address the defects noted, or submit the rule to the Legislative Coordinating Commission and the House of Representatives and Senate policy committees with primary jurisdiction over state governmental operations, for review under Minn. Stat. § 14.15, subd. 4.

If the agency chooses to make changes to correct the defects, it shall submit to the Chief Administrative Law Judge a copy of the rules as originally published in the State Register, the agency's order adopting the rules, and the rule showing the agency's changes. The Chief Administrative Law Judge will then make a determination as to whether the defect has been corrected and whether the modifications to the rules make them substantially different than originally proposed.
