Dear Parties:

On January 27, 2011, the Applicants requested certain documents to be identified as exhibits and entered into the hearing record. Specifically, the Applicants requested that the Affidavit of Mailing of CD Copies of the Application for a Route Permit and Notice of Filing of the Application for a Route Permit to Local Government Units throughout the Project Area and the Affidavit of Publication providing Notice of Filing of the Application for a Route Permit in various papers throughout the Project Area be admitted as exhibits. In their letter request, the Applicants explained that the exhibits were inadvertently not offered into the hearing record during the hearing. I have received no objection to the admission of these Affidavits and therefore the request is granted. The documents will be marked as follows and admitted into the hearing record.

Affidavit of Mailing	Exhibit 53
Affidavit of Publication	Exhibit 54

The letters pertain to the construction of the transmission line in the vicinity of the Sauk Centre airport. All of the letters and attachments have been e-filed and they were received during the public comment period, and I have

received no objections to the admission of these letters and attachments. Therefore, the request is granted. The documents will be marked as follows and admitted into the hearing record.
