Dear Customer,

We are issuing an immediate recall for all Kooka Inc produced Beezwax 1G Hemp Pre-rolls. We are voluntarily recalling these products due to updated testing that produced results above the legal limit of .03% for hemp derived products in the State of Minnesota. If you have any of these pre-rolls any flavor, please remove them from your shelves. Do not sell these units. Please contact us at the email above with a full count of the units you have in your possession, and we will provide information on disposal and refund.

We are sorry for any inconvenience this causes your business.

Sincerely,
Kooka Inc.
