

CanRenew Communities Are Where Youth Thrive

CanRenew partners will work with communities that have been historically and unfairly harmed by the war on drugs. Together, we will reinvest in our communities to make them stronger and create the conditions where people can thrive.

Learn about CanRenew Community Restoration Grants

Projects will address a range of community needs, including economic development, public health, violence prevention, youth development, and civil legal aid.

Eligible organizations:

- Nonprofit organizations
- Tribal organizations
- Educational institutions
- Local units of government
- Private businesses
- Community groups
- Partnerships between different types of organizations
