

Administrative Removal of Public Reprimand

Christina Maus, Paramedic

Paramedic 965265

History

Original Public Action: 11/21/2024

Date Imposed: 11/21/2025

Conditions of Action: Successful completion of courses in ethics and emergency medical services documentation; type written report regrading what she learned in the courses, and no prohibited conduct while the Order was in effect.

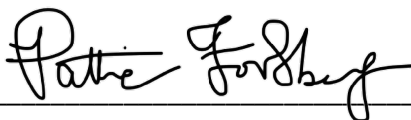

Administrative Determination

The Minnesota Office of Emergency Medical Services has reviewed the record related to the stayed suspension identified above. Based on documentation and verification demonstrating that all conditions of the stayed suspension have been met, the Office hereby administratively removes the stayed suspension.

As of the date indicated below, the individual's certification is no longer subject to a stayed suspension. No further disciplinary action is in effect related to this matter. This action is administrative in nature and does not constitute a new disciplinary order.

Authorization

I certify that this administrative action is issued under the authority of the Minnesota Office of Emergency Medical Services and in accordance with applicable statutes and Office procedures.

Pattie Forsberg

Deputy Director of EMS Providers

Dated: 11/21/2025
