Re: Notice of Completed Application – Lake Crystal Area Ambulance Service

The Minnesota Office of Emergency Medical Services (OEMS) is providing “Notice of Completed Application” for an application submitted by Lake Crystal Area Ambulance Service for a new license to provide Part-Time Advanced Life Support. This notice is being provided in accordance with Minnesota Statutes section 144E.11, subdivision 2, which provides:

Application Notice: *The OEMS shall promptly send notice of the completed application to each county board, community health board, governing body of a regional emergency medical services system designated under section 144E.50, ambulance service, and municipality in the area in which ambulance service would be provided by the applicant.*

Enclosed is the “Notice of Completed Application” which identifies the date when comments on this application must be received and where to send comments. A copy of the application submitted by Lake Crystal Area Ambulance Service is available for review at the following link: mn.gov/oems or by contacting the OEMS at 651-201-2800.

Sincerely,

A handwritten signature in black ink, appearing to read 'Dylan Ferguson', is written over a light blue horizontal line.
