Memorandum

Date: **May 15, 2026**
To: **PELSB Board Members**
From: **Yelena Bailey, Executive Director**
RE: **Board Bylaws - Report**

Background

Each year the Executive Committee is responsible for recommending changes to the Board Bylaws. Given the significant updates made last year, the committee's only recommendation is to move board elections to December. Historically, the Appointments Office filles open seats in late spring or early summer. This means newly appointed board members do not have a chance to get to know their colleagues before voting. Moving elections to December will allow new members to acclimate to their work and fully participate in the election process.
