FY 19 Board Goals

Goal 1

Ensure resources are available for teachers to meet the needs of all their learners, feel supported in their work, and engage in a collaborative community of educators.

Goal 2

Support the expansion of quality teacher preparation programs, with a focus on new and innovative preparation models ensuring candidates are prepared to meet the needs of all learners.

Goal 3

Engage all educators in policy and practice discussions, including reaching out to communities of educators often absent from the conversation.

Goal 4

Establish a reputation for the Professional Educator Licensing and Standards Board as a partner with stakeholders, willing to work collectively to meet shared goals in education.
