

# Kindergarten Endorsement Licensure Programs

## Grade Level range: Kindergarten

### Note:

- Please contact the college for entrance and course requirements.
- This is an endorsement license to be added on to an Elementary 1-6 license. This license cannot stand on its own and requires the applicant to either apply for a Tier 3 or Tier 4 Elementary Education license at the same time as this license or hold a standard, Tier 3, or Tier 4 Elementary Education 1-6 license before applying.
- These programs have been approved through and must be completed by June 30, 2020.
- Submit a transcript showing completion of one of these approved programs along with your kindergarten licensure endorsement application to Professional Educator Licensing and Standards Board.
