

## TIER 2

### Quick Glance

#### *District:*

- Verify cultural competency training
- Provide and verify a teacher development and evaluation process.

#### *Applicant:*

- If enrolled in a teacher preparation program, meaningful progress must be submitted.

#### *General:*

- For the hiring district, the second and third Tier 2 renewals must verify participation in a teacher development and evaluation.
- The Tier 2 teacher would need to submit a certification of meaningful progress from the provider.

## Renewal Requirements for a Tier 2 License

A Tier 2 license is valid for two school years. In order to renew a Tier 2 license, both the licensed Tier 2 teacher and the hiring district must provide evidence of eligibility and apply for renewal after June 30 of the renewal year. A Tier 2 license may be renewed up to three times. Note: If a Tier 2 teacher is requested for a different content field or district, the Tier 2 teacher would apply for a new Tier 2 license rather than a renewal.

### Hiring District:

Before applying for renewal, the hiring district must show that the Tier 2 teacher participated in:

- Cultural competency training. This training may be supplied by the school district and is not required for future renewals. ([Minn. Rule 8710.0310, Subp. D](#))
- An evaluation aligned with the district's teacher development and evaluation model.

### Applicant for Renewal:

The Tier 2 teacher must provide the following evidence:

- If the Tier 2 teacher obtained the Tier 2 license by verifying enrollment in a Minnesota-approved teacher preparation program, the provider must certify that meaningful progress has been made by the Tier 2 teacher. Meaningful progress made toward completion of the content specific program is defined by the preparation provider.

### General Information:

A Tier 2 license may be renewed up to three times in a lifetime, regardless of the content field or hiring district. To renew a Tier 2 license for the second or third time, the hiring district must continue to provide and verify teacher development and evaluation. The Tier 2 teacher does not have to retake cultural competency after the first renewal.
