

Voluntary Discontinuation of Program

For the purpose of voluntarily discontinuing an approved licensure program, the unit must provide the following information, set forth in rule (8705.2600, Subp. 4):

1. Name of preparation provider:
1. Voluntarily discontinued program:
2. A brief rationale for discontinuing the program:

3. The last date when new candidates are allowed to enter the program:
4. A list of candidates enrolled with expected completion dates *(if list does not fit, attach a separate document)*:

5. Confirm the following:

The unit has notified all enrolled candidates in writing of the program's discontinuation and their program completion options (required).

The provider understands they must submit a request for initial program approval (RIPA) application according to part 8705.2100 to obtain approval of a program that has been voluntarily discontinued.
