A. Teaching licenses must be granted by the board to applicants who meet all requirements of applicable statutes and rules.
B. An applicant must qualify separately for each licensure area for which an application is made.
C. A license becomes valid on the date issued by the board and expires on June 30 of the expiration year. A Tier 1 or Tier 2 license, out-of-field permission, or innovative program permission can be used until September 1 after the date of expiration if the placement is in a summer school program at the district aligned to the license or is part of a year-round school at the district aligned to the licensure area.
D. The board must request a criminal history background check be performed by

perform a new background check on the license holder that includes a review for national
arrests, charges, and convictions if a background check has not been completed on the
license holder within the last five years.

E. All applicants for licensure and license renewals are subject to a conduct review
performed by the board. The board may refuse to issue a license or deny a license renewal
based on the results of the conduct review. An applicant who is denied a license or license
renewal as a result of the conduct review may appeal the board's decision pursuant to subpart
6.

Subp. 3. Addition to a Tier 3 or 4 license. When a licensure area is added to a Tier

Subp. 4. Movement between tiers. Teachers may apply to obtain a license in a higher
licensure tier at any time after the requirements for the higher tier have been met. The teacher
must be granted the license under a higher tier upon review and approval by the board
pursuant to the rules established for the license sought. Applicants may obtain a license in
a lower licensure tier only if they hold a Tier 2 license in one licensure field and a district
requests to hire the applicant for a different licensure field in which the applicant does not
meet the requirements for a Tier 2 license. A teacher may simultaneously hold a Tier 1 and
a Tier 2 license under this subpart.

Subp. 5. Multiple expiration dates. If a license holder has completed and verified
the renewal requirements for a currently held Tier 3 or 4 license issued under parts 8710.0313
and 8710.0314, the license holder may renew a currently held Tier 3 or 4 license up to one
6.1 year before the expiration date for the purpose of consolidating multiple expiration dates of any Tier 3 or 4 licenses held into one expiration date. The consolidation of multiple expiration dates must be consolidated within a single tier.

6.2 Subp. 6. Appeal. An applicant who is denied a teaching license by the board or who is issued a license under a different licensure tier than what was sought may appeal the board's decision under part 8710.0900 and Minnesota Statutes, chapter 14, and section 122A.188.

6.5 Subp. 9. Fees. An applicant must pay an application fee for the review of the license pursuant to Minnesota Statutes, section 122A.21. A district must pay an application fee for the review of a permission as set by the board.

8710.0311 TIER 1 LICENSE.

6.19 Subpart 1. Purpose. If a district is unable to fill an open position with a teacher holding a Tier 2, 3, or 4 license, a Tier 1 license must be issued, consistent with this part, to an applicant who does not hold a Tier 2, 3, or 4 license on behalf of a district request except as provided in part 8710.0310, subpart 4. A Tier 1 license authorizes the license holder to teach within the requesting district and the specific licensure field in the application.
Subp. 2. **Requirements.** The board must issue a Tier 1 license to an applicant upon request by the designated administrator of the hiring district. The applicant must initiate the application process and meet the requirements of this subpart.

(b) no individual who holds a Tier 2, 3, or 4 licensed applicants license for the assignment accepted the position; or

iii. the applicant had disciplinary action with the board or final disciplinary action in a district;

iv. the applicant was unwilling to abide by culturally responsive teaching principles; or

v. the applicant had references that indicated an unwillingness or ineligibility to rehire the applicant, including in the applying district.

If the hiring district cannot meet the requirements of item B, the district must provide justification to be reviewed by the board for approval or denial. The justification must include why no Tier 2, 3, or 4 licensed applicant was acceptable for the position.
