Subpart 1. Definitions.

A. For the purposes of parts 8710.0310 to 8710.0330, the terms in this subpart have the meanings given them.

B. "Board" means the Professional Educator Licensing and Standards Board.

C. "Classroom teacher" or "teacher of record" means an individual who holds a teaching license issued by the board; is responsible for the planning, instruction, and assessment of students in a classroom; and who is authorized to grant students credit for meeting standards attributed to the content taught. For related services positions, a classroom teacher or teacher of record means an individual holding a Tier 3 or 4 license who is directly responsible for student services aligned to their licensure area.

D. "Cultural competency training" means a training program that promotes self-reflection and discussion on all of the following topics: racial, cultural, and socioeconomic groups; American Indian students; implicit bias; systemic racism; gender identity, including transgender students; sexual orientation; language diversity; and individuals with disabilities. Training programs must be designed to increase teachers' understanding of these topics and their ability to implement this knowledge with students, families, and the school community, consistent with Minnesota Statutes, section 120B.30, subdivision 1, paragraph (q).

E. "District" means a school district or a charter school.

F. "Good cause" means an applicant is unable to meet the requirements of a higher licensure tier due to the lack of a reasonable path to a higher licensure tier or the path to a
2.1 higher licensure tier causes an undue burden on the applicant, as approved or denied by the board.

2.2 G. "Innovative program" means a school within a district that is either a state-approved area learning center or alternative learning program or provides a school board resolution designating the school as an innovative program, including the reason for the designation.

2.3 H. "Professional license from another state" means a teaching license from a state other than Minnesota that can be renewed indefinitely and allows the individual to be the teacher of record based on completion of a teacher preparation program from another state or licensure via a portfolio process in another state aligned to part 8710.0330 and Minnesota Statutes, section 122A.18, subdivision 10.

2.4 I. "Student teaching" means a minimum of 12 weeks when an individual enrolled in a teacher preparation program assumes teacher responsibilities while working with a cooperating teacher who holds a Tier 3 or 4 license in the subject area and a provider supervisor to practice and demonstrate the necessary development of the individual's knowledge, skills, and dispositions to become a teacher. A student teaching experience includes observation, feedback, and evaluation from the cooperating teacher and provider supervisor.

2.5 J. "Teacher preparation program" means a program approved by the board or the state where the program resides that trains candidates in educational pedagogy and content-specific pedagogy for any subset of the scope of licensure for students from birth to 21 years of age.

2.6 K. "Teaching license" or "teacher license" means a license that permits an individual to be teacher of record. This includes Tier 1, Tier 2, Tier 3, and Tier 4 licenses issued under parts 8710.0311 to 8710.0314.
Subp. 2. **Teaching licenses, in general.**

A. Teaching licenses must be granted by the board to applicants who meet all requirements of applicable statutes and rules.

B. An applicant must qualify separately for each licensure area for which an application is made.

C. A license becomes valid on the date issued by the board and expires on June 30 of the expiration year.

D. The board must request a criminal history background check be performed by the Bureau of Criminal Apprehension consistent with Minnesota Statutes, section 122A.18, subdivision 8, upon an individual applying for a teaching license for the first time. Upon renewal of a teaching license, the board must perform a new background check on the license holder with the CLEAR background check system if a background check has not been completed on the license holder within the last five years.

Subp. 3. **Addition to a Tier 3 or 4 license.** When a licensure area is added to a Tier 3 or 4 license issued under parts 8710.0313 and 8710.0314, the expiration date is the date previously established for the Tier 3 or 4 license in effect.

Subp. 4. **Movement between tiers.** Teachers may apply to obtain a license in a higher licensure tier at any time after the requirements for the higher tier have been met. The teacher must be granted the license under a higher tier upon review and approval by the board pursuant to the rules established for the license sought. Applicants may obtain a license in a lower licensure tier only if they hold a Tier 2 license in one content area and a district requests to hire the applicant for a different content area in which the applicant does not meet the requirements for a Tier 2 license.

Subp. 5. **Multiple expiration dates.** If a license holder has completed and verified the renewal requirements for a currently held Tier 3 or 4 license issued under parts 8710.0313
and 8710.0314, the license holder may renew a currently held Tier 3 or 4 license up to one
year before the expiration date for the purpose of consolidating multiple expiration dates
of any Tier 3 or 4 licenses held into one expiration date. The consolidation of multiple
expiration dates must be consolidated within a single tier.

Subp. 6. Appeal. An applicant who is denied a teaching license by the board or who
is issued a license under a different licensure tier than what was sought may appeal the
board's decision under part 8710.0900 and Minnesota Statutes, chapter 14, and section
122A.188.

Subp. 7. Licenses issued in error. A license issued in error to a person who does not
qualify for the license must be corrected without charge to the license holder, and the
corrections must be made without a hearing under part 8710.0900 and Minnesota Statutes,
chapter 14. A license issued in error is not valid.

Subp. 8. Report. The board must issue an annual report by September 1 that
summarizes the previous fiscal year's Tier 1, 2, 3, and 4 licenses and out-of-field and
innovative program permissions, organized by licensure field and by district.

8710.0311 TIER 1 LICENSE.

Subpart 1. Purpose. If a district is unable to fill an open position with a teacher holding
a Tier 2, 3, or 4 license, a Tier 1 license must be issued, consistent with this part, to an
applicant who does not hold a Tier 2, 3, or 4 license on behalf of a district request. A Tier
1 license authorizes the license holder to teach within the requesting district and the specific
licensure field in the application.

Subp. 2. Requirements. The board must issue a Tier 1 license to an applicant upon
request by the designated administrator of the hiring district. The applicant must initiate the
application process and meet the requirements of this subpart.

A. The applicant must:
(1) hold the minimum of a bachelor's degree from a college or university located in the United States that is regionally accredited by the Higher Learning Commission or by the regional association for accreditation of colleges and secondary schools, as shown by a college transcript;

(2) hold a credential from outside the United States that is equivalent to a bachelor's degree, as shown by a credential evaluation completed by a credential evaluator approved by the National Association of Credential Evaluation Services or other board-approved credential evaluation service; or

(3) for applicants in career and technical education fields and career pathway courses of study, have one of the following:

(a) five years of relevant work experience aligned to the assignment;
(b) an associate's degree aligned to the assignment; or
(c) a professional certification aligned to the assignment from an approved certifying organization.

B. The hiring district must show:

(1) the position was posted for at least 15 days on the board-approved statewide job board; and

(2) one of the following:

(a) no Tier 2, 3, or 4 licensed individuals applied for the position;
(b) no Tier 2, 3, or 4 licensed applicants accepted the position; or
(c) all Tier 2, 3, or 4 licensed applicants had a record of disciplinary action with the board.
If the hiring district cannot meet the requirements of item B, the district must provide
justification to be reviewed by the board for approval or denial. The justification must
include why no Tier 2, 3, or 4 licensed applicant was acceptable for the position. Failure
by a district to provide justification constitutes grounds for the board to deny a request for
a Tier 1 license, at the sole discretion of the board.

C. The hiring district must affirm the applicant:

(1) will participate in a mentorship program aligned to board-adopted criteria;

(2) will participate in an evaluation aligned to the district's teacher
development and evaluation model under Minnesota Statutes, section 122A.40, subdivision
8, or 122A.41, subdivision 5, or, if the statutory models are not practicable, to another
identified district-aligned evaluation; and

(3) has the necessary skills and knowledge to teach in the content field aligned
to the assignment.

D. The board must complete a criminal background check on the applicant.

E. A committee of board staff designated by the board must review applications
requesting emergency placements under this subpart within two business days. The committee
may immediately issue a Tier 1 license based on board-adopted criteria pending review by
the board. The board must review applications after the position has been posted on the
board-approved statewide job board for 15 days.

Subp. 3. **Duration.** A Tier 1 license is valid for up to one year and expires on June
30 of the expiration year.

Subp. 4. **First renewal.** To renew a Tier 1 license for the first time, the applicant must
initiate the renewal application process, and the hiring district must meet the requirements
of this subpart.
A. The hiring district must show that the position was posted for at least 60 days on the board-approved statewide job board. If an applicant accepts the position but later turns it down, the hiring district must repost the position for 15 days.

B. The hiring district must show one of the following:

(1) no Tier 2, 3, or 4 licensed individuals applied for the position;

(2) no Tier 2, 3, or 4 licensed applicants accepted the position; or

(3) all Tier 2, 3, or 4 licensed applicants had a record of disciplinary action with the board.

If the hiring district cannot meet the requirements of items A and B, the district must provide justification to be reviewed by the board for approval or denial. The justification must include why no Tier 2, 3, or 4 licensed applicant was acceptable for the position. Failure by a district to provide justification constitutes grounds for the board to deny a request for a Tier 1 renewal, at the sole discretion of the board.

C. The hiring district must show the applicant attempted the board-approved content examination aligned to the assignment during the academic year in which the applicant held a Tier 1 license. Any licensure area that does not have a board-approved content examination is exempt from this requirement.

D. The hiring district must show the applicant participated in cultural competency training aligned to board-adopted criteria.

E. The hiring district must report to the board the following:

(1) whether the applicant completed mentorship aligned to board-adopted criteria in the previous year; and

F. The board must complete a criminal background check on the applicant, if applicable.

G. A committee of board staff designated by the board must review applications requesting emergency placements under this subpart within two business days. The committee may immediately issue a Tier 1 license based on board-adopted criteria pending review by the board. The board must review applications after the position has been posted on the board-approved statewide job board for 15 days.

Subp. 5. **Second and third renewals.** To renew a Tier 1 license for the second or third time, the applicant must initiate the renewal application process, and the hiring district must meet the requirements of this subpart.

A. The hiring district must show that the position was posted for at least 60 days on the board-approved statewide job board. If an applicant accepts the position but later turns it down, the hiring district must repost the position for 15 days.

B. The hiring district must show one of the following:

1. no Tier 2, 3, or 4 licensed individuals applied for the position;

2. no Tier 2, 3, or 4 licensed applicants accepted the position; or

3. all Tier 2, 3, or 4 licensed applicants had a record of disciplinary action with the board.

If the hiring district cannot meet the requirements of items A and B, the district must provide justification to be reviewed by the board for approval or denial. The justification must include why no Tier 2, 3, or 4 licensed applicant was acceptable for the position. Failure by a district to provide justification constitutes grounds for the board to deny a request for a Tier 1 renewal, at the sole discretion of the board.

C. The hiring district must report to the board the following:
whether the applicant completed mentorship aligned to board-adopted
criteria in the previous year; and

(2) the outcome of the applicant's evaluation in the previous year.

D. The board must complete a criminal background check on the applicant, if
applicable.

E. A committee of board staff designated by the board must review applications
requesting emergency placements under this subpart within two business days. The committee
may immediately issue a Tier 1 license based on board-adopted criteria pending review by
the board. The board must review applications after the position has been posted on the
board-approved statewide job board for 15 days.

Subp. 6. Additional renewals. To renew a Tier 1 license more than three times, the
applicant must initiate the renewal application process, and the hiring district must meet
the requirements of this subpart.

A. The hiring district must show that the position was posted for at least 60 days
on the board-approved statewide job board. If an applicant accepts the position but later
turns it down, the hiring district must repost the position for 15 days.

B. The hiring district must show one of the following:

(1) no Tier 2, 3, or 4 licensed individuals applied for the position;

(2) no Tier 2, 3, or 4 licensed applicants accepted the position; or

(3) all Tier 2, 3, or 4 licensed applicants had a record of disciplinary action
with the board.

If the hiring district cannot meet the requirements of items A and B, the district must provide
justification to be reviewed by the board for approval or denial. The justification must
include why no Tier 2, 3, or 4 licensed applicant was acceptable for the position. Failure
by a district to provide justification constitutes grounds for the board to deny a request for a Tier 1 renewal, at the sole discretion of the board.

C. The hiring district must show one of the following:

(1) the Tier 1 teacher is teaching in a career and technical education field or career pathway course of study; or

(2) the Tier 1 teacher is teaching in a licensure area identified as a shortage area as defined in Minnesota Statutes, section 122A.06, subdivision 6.

If the hiring district cannot meet the requirements of item C, the district must provide good cause justification for why the applicant should receive additional Tier 1 renewals. The good cause justification must include why the applicant has not obtained a license in a higher licensure tier. Failure by a district to provide good cause justification constitutes grounds for the board to deny a request for additional Tier 1 renewals, at the sole discretion of the board.

D. The hiring district must report to the board the following:

(1) whether the applicant completed mentorship aligned to board-adopted criteria in the previous year; and

(2) the outcome of the applicant's evaluation in the previous year.

E. The board must complete a criminal background check on the applicant, if applicable.

F. A committee of board staff designated by the board must review applications requesting emergency placements under this subpart within two business days. The committee may immediately issue a Tier 1 license based on board-adopted criteria pending review by the board. The board must review applications after the position has been posted on the board-approved statewide job board for 15 days.
Subp. 7. **Related services exclusion.** Tier 1 licenses do not apply to related services positions under parts 8710.6000 to 8710.6400.

Subp. 8. **Position change.** If a Tier 1 license holder moves to another position within a district or to another district, prior to the expiration of the Tier 1 license, the license holder must initiate a new application, including paying the application fee, and the hiring district must meet the requirements under subpart 2 for the new position. The applicant is not required to complete a new background check by the board. The Tier 1 license issued by the board under this subpart is considered a new license, not a renewal under subparts 4 to 6.

8710.0312 **TIER 2 LICENSE.**

Subpart 1. **Purpose.** A Tier 2 license must be issued, consistent with this part, to an applicant on behalf of a district request. A Tier 2 license authorizes the license holder to teach within the requesting district and the specific licensure field in the application.

Failure by a district to provide justification constitutes grounds for the board to deny a request for an out-of-field permission, at the sole discretion of the board.

F. A committee of board staff designated by the board must review applications requesting emergency placements under this subpart within two business days. The committee may immediately issue an out-of-field permission based on board-adopted criteria pending review by the board.
