Data Practices Advisory

Use of Data Collected by the POST Board on This Application Form

This application is used to assist the POST Board in determining your eligibility to be issued a peace officer license.

Application data on licensees is classified as public data under Minn. Stat. § 13.41, subd. 5. That includes application data on licensees, license number, license status, and continuing education records.

While your application, once you have obtained licensure, is considered public data, certain information on that form cannot be released. That information includes:

1. Your social security number, which is protected by federal law and Minn. Stat. 13.355;
2. Your home address, your personal telephone numbers and email addresses, which are classified as private data under Minn. Stat. 13.41, subd. 3.

That private data will not be released except to you, employees of the POST Board whose duties regularly require access to that data, those authorized by state or federal law to have access to the data, or those to whom you provide written informed consent authorizing disclosure.

You are not legally required to provide any of the requested information; however, if you do not, we will be unable to process your application or determine your eligibility to be issued a peace officer license.
