- 4. Review of proposed changes to 6700.0800 (obsolete rule): Chair Yang asked Ms. Popowski to provide a summary of the proposed changes to rule 6700.0800. Ms. Popowski stated that on December 1st of each year, the board must submit an obsolete rules report to the Legislature. In the report, the board is to identify any obsolete rules in chapter 6700 and then inform the Legislature how the board plans to deal with the rule. This rule proposal initiates the removal process of subpart 5, which is obsolete as the board no longer issues paper licenses via mail.

6700.0800 LICENSING OF PEACE OFFICERS.

notify the board of the appointment of any person to the position of peace officer before the first day of the appointee's employment. Notification shall be made on a form provided by the board, and it shall include the appointee's full name, sex, date of birth, the effective date of the appointment, and an affirmation that the appointee has met all selection standards as prescribed in part 6700.0700. The appointee may not exercise peace officer powers until the notification form is received and approved by the board.

- Subp. 2. **Application procedures.** If the appointee is not already a licensed peace officer, but is eligible to be licensed, the appointee shall apply to be licensed at the time of appointment. Application shall be made on a form provided by the board, and both the applicant and the chief law enforcement officer shall affirm that the applicant is eligible to be licensed. The applicant shall also submit the licensing fee as prescribed in subpart 4.
- Subp. 3. **License certificate.** The executive director shall issue a license certificate to an applicant who has complied with the requirements in subpart 2 and part 6700.0700, subpart 1, and whose affirmations are consistent with the board's records. The period of initial licensure is determined by the original date the license was issued. The license shall be due for renewal on June 30 of the third calendar year after the year the license was issued, regardless of the month and day of initial licensure.
- Subp. 4. **Licensing fee.** The licensing fee is \$90. The license will be valid through June 30 of the third year following receipt.
- Subp. 5. **Surrender of license certificate.** Licenses shall remain the property of the board. The license certificate and any renewal certificates shall be surrendered to the board if suspended or revoked.
- 5. Complete the rule proposal for 6700.0501: Chair Yang asked Ms. Popowski to provide a summary of the proposed changes to 6700.0501. Ms. Popowski stated the rule draft of 0501 in front of the committee today was discussed previously, but that Chair Yang requested it be brought before the committee again for further consideration/discussion. The draft includes a reciprocity pathway for non-degree holders so long as the meet the requirements described in item C. These requirements include 4 years of law enforcement experience (or the equivalent in hours) and that the applicant complete 60 postsecondary education credits within 5 years of their MN Peace Officer License becoming active. The applicant would then have to provide the board proof that the education credits were completed prior to the 5-year deadline.

Under subpart 11 of the draft, if a reciprocity applicant does not complete the required 60 credits, their MN Peace Officer License will be rescinded for a minimum of 6 months. If, within 6 months and 1 year, the individual completes 60 postsecondary education credits and regains employment with an agency, their license will be reinstated.

The committee expressed that item C seemed to be a good compromise – it increases reciprocity professionalism standards without closing the door to good applicants who have law enforcement experience, but no college experience or degree.

• MOTION: Ms. Gladney made a motion to refer the draft to the full board for review. Ms. Phillips seconded the motion. The motion passed via unanimous voice vote.
