

What if I have been disconnected or have a past due bill? What about long distance service?

You can still qualify for telephone discounts. Contact your telephone company or contact the MN PUC at 800-657-3782 for assistance with a payment plan and enrolling on the telephone discount plan.

Deposits: If you have credit problems, you may have to pay a deposit before setting up phone service. If you are eligible for the Minnesota Telephone Discounts for landline service, you do not have to pay a deposit if you agree to block long distance service.

Long Distance Blocking: If you sign up for long distance blocking, you can still make long distance calls with pre-paid calling cards or dial-around services.
