

Subd. 4. **Reimbursement.** Each member of the commission shall be reimbursed for all reasonable expenses actually paid or incurred by that member in the performance of official duties in the same manner as other employees of the state. The public members of the commission shall be compensated at the rate of \$50 for each day or part thereof spent on commission activities.

Subd. 5. **Promulgation of Sentencing Guidelines.** The commission shall promulgate Sentencing Guidelines for the district court. The guidelines shall be based on reasonable offense and offender characteristics. The guidelines promulgated by the commission shall be advisory to the district court and shall establish:

(1) the circumstances under which imprisonment of an offender is proper; and

(2) a presumptive, fixed sentence for offenders for whom imprisonment is proper, based on each appropriate combination of reasonable offense and offender characteristics. The guidelines shall provide for an increase of 20 percent and a decrease of 15 percent in the presumptive, fixed sentence.

The Sentencing Guidelines promulgated by the commission may also establish appropriate sanctions for offenders for whom imprisonment is not proper. Any guidelines promulgated by the commission establishing sanctions for offenders for whom imprisonment is not proper shall make specific reference to noninstitutional sanctions, including but not limited to the following: payment of fines, day fines, restitution, community work orders, work release programs in local facilities, community based residential and nonresidential programs, incarceration in a local correctional facility, and probation and the conditions thereof.

Although the Sentencing Guidelines are advisory to the district court, the court shall follow the procedures of the guidelines when it pronounces sentence in a proceeding to which the guidelines apply by operation of statute. Sentencing pursuant to the Sentencing Guidelines is not a right that accrues to a person convicted of a felony; it is a procedure based on state public policy to maintain uniformity, proportionality, rationality, and predictability in sentencing.

In establishing and modifying the Sentencing Guidelines, the primary consideration of the commission shall be public safety. The commission shall also consider current sentencing and release practices; correctional resources, including but not limited to the capacities of local and state correctional facilities; and the long-term negative impact of the crime on the community.

The provisions of sections 14.001 to 14.69 do not apply to the promulgation of the Sentencing Guidelines, and the Sentencing Guidelines, including severity levels and criminal history scores, are not subject to review by the legislative commission to review administrative rules. However, the commission shall adopt rules pursuant to sections 14.001 to 14.69 which establish procedures for the promulgation of the Sentencing Guidelines, including procedures for the promulgation of severity levels and criminal history scores, and these rules shall be subject to review by the Legislative Coordinating Commission.

Subd. 6. **Clearinghouse and information center.** The commission, in addition to establishing Sentencing Guidelines, shall serve as a clearinghouse and information center for the collection, preparation, analysis and dissemination of information on state and local sentencing practices, and shall conduct ongoing research regarding Sentencing Guidelines, use of imprisonment and alternatives to imprisonment, plea bargaining, and other matters relating to the improvement of the criminal justice system. The commission shall from time to time make recommendations to the legislature regarding changes in the Criminal Code, criminal procedures, and other aspects of sentencing.
