

## How Many People Will Lose Coverage Under the Governor's Budget Proposal?

Revised 2/21/03, 3 pm

The following chart shows how many fewer people will have state-sponsored health coverage each year under the Governor's budget proposal. The numbers grow each year because the reductions are phased in over time.

	FY04	FY05	FY06	FY07
<b>GAMC/MnCare consolidation (GAMC impact)</b>	4,572	6,626	7,911	7,841
<b>GAMC/MnCare consolidation (MnCare impact)</b>	20,312	27,351	28,317	29,938
<b>Reduce Cover All Kids increase from 170% to 150%</b>	1,023	2,042	2,132	2,132
<b>MA: eliminate pregnant women &gt; 200% FPG</b>	12	107	132	138
<b>MnCare: eliminate parents &gt; 275% FPG</b>	149	383	400	415
<b>MnCare: full cost premium for parents &gt; 200% FPG</b>	2,348	6,049	6,309	6,540
<b>MnCare: full premium for pregnant women &gt;200%</b>	15	39	41	42
<b>Eliminate MNCare dependent siblings</b>	131	422	441	457
<b>12-month time limit children &gt; 275% FPG</b>	8	70	110	110
<b>6-month eligibility review: parents</b>	0	530	2,765	4,429
<b>6-month eligibility review: children</b>	0	1,530	3,452	6,003
<b>Change definition of employer-sponsored ins.</b>	0	482	1,257	1,303
