Dear Dr. Engberg:

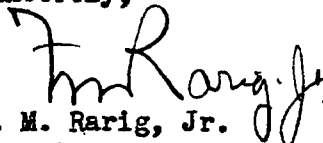

On May 15, 1947, Governor Youngdahl appointed a Governor's Advisory Council on Mental Health. The Council has held a number of meetings and would now greatly appreciate the opportunity of meeting with the Superintendents of the state mental hospitals.

You are cordially invited to attend a meeting of the Council on Thursday, September 25, at 7:00 P.M. in Room 305 Wilder Building, St. Paul. The Wilder Building is at the corner of Fifth and Washington, which is two blocks west of the St. Paul Hotel.

The members of the Council recognize that the Superintendents of the state mental hospitals are in the best possible position to provide information as to the needs of the hospitals, and to make suggestions as to how the Council may proceed to develop a constructive and realistic program for the improvement of our state mental hospitals and the whole mental health program of the State of Minnesota.

We are all looking forward to the meeting and hope that it will be possible for you to attend. Will you please advise as to whether or not it will be possible for you to be present.

Sincerely,

F. M. Rarig, Jr.
Secretary
