Mr. Necker

TO : Medical Director )  
: Administrator ) All Medical Services Divisions  
: Director of Nurses ) Institutions  
David J. Vail, M.D.  
FROM : Medical Director  
Medical Services Division

DATE: March 27, 1968

SUBJECT: Information to Minnesota Nurses' Association

Information is being requested by M.N.A. of R.N.'s in our state institutions. May I remind you that this information may reflect only that which refers to salary proposals. All information, which is sent to M.N.A., must be reviewed by the Medical Director and/or Administrator, for approval before it can be sent to M.N.A. If you are in doubt, please forward the information to my office.

Reflecting back upon several years ago, M.N.A. entered the domain of care and treatment which is beyond their jurisdictional right or privilege. This cannot occur again!

cc: Mrs. Alvira Hiltz

p.s. When the designated M.N.A. representative prepares a written report to M.N.A., three copies should be made and sent to:

Director of Nursing  
Medical Director  
Hospital Administrator

prior to the sending of the report, and written approval should be obtained from the Medical Director and Hospital Administrator. i.e., "I approve this report to be sent to M.N.A."

Mrs. Nethery requested to see Dr. Engberg about this report.

Dr. Johnson has seen the attached and was told that Dr. Engberg will discuss with Mrs. Nethery.
