X feel that this was one of the most productive meetings in which X have ever participated, The benefits to the residents of Faribault State Hospital will be extensive.

1. Faribault will hire a Counselor on a cooperative basis. Don is acceptable to Faribault State Hospital and will be interviewed by Tom Helfter to determine DVR suitability. In any ease a counselor will be recruited.
2. The suitability of Project 40 was discussed. It was determined that Mr. Heimerl would discuss the project with Tom Flannagan to arrive at a realistic cost figure. It was the consensus of the group that the workshop extension from Austin was desirable. Mr. Flanagan and Mr. Heimerl will work out the mechanics.
3. At the next DVR Cabinet meeting the amount of money to be funded Faribault State Hospital for a CVRP in 69-70 will be discussed. Once this amount of money is determined then complementary planning will begin, CVRP and Workshop extension, to develop vocational services at Faribault State Hospital.
