MEETING NOTICE

DATE: December 11, 1997

TO: Self Determination Project Workgroup Members

FROM: Barb Roberts

SUBJECT: Strategizing/Discussion Session

At the last Information and Resource Committee meeting it was decided that an in-depth strategizing/planning and discussion session would be helpful for project direction going into Year 2.

The topics of this session will be: expanding self determination across the state, assessing and addressing the "power" base with regard to where providers will align their businesses (i.e. managed care....self determination....wait and see..etc), building alliances to increase consumer participation, legislation, and policy considerations at the county and state level.

I feel this will be an interesting and important meeting that will set the direction for the Project for year 2 and 3 and beyond.

Meeting Date: Monday, January 5, 1998
Time: 9:30 am - 12:00pm
Place: Eagan Lottery Building (if you need directions, give me a call)

Steve Larson, new CSMD division director and Marge Brchan, CFS Unit Supervisor, have marked this meeting on their calendars and plan to attend.

If you have questions, or additional agenda items that relate to those above, please give me a call.
