CERTIFICATION
I certify that this Minnesota insurance producer or adjuster license is being voluntarily surrendered and that I understand and agree to the following terms:

1. The license becomes inactive as of the effective date of the voluntary surrender, which is the date that the Minnesota Department of Commerce processes and approves this form.

2. To reactivate an individual (non-business entity) license, I must:
   (a) complete all outstanding Minnesota continuing education requirements and pay a penalty in the amount of twice the unpaid renewal fee, if less than twelve months (365 days) has passed since the effective date of my voluntary surrender;
   (b) retake the prelicense examination for any line of authority that requires one and submit a new license application, if more than twelve months (365 days) has passed since the effective date of my voluntary surrender.

I certify that I am the person holding the Minnesota insurance producer or adjuster license number entered above, or that I am authorized to act on behalf of the listed agency, and I will not represent that the license is valid or active.
