I. CALL TO ORDER

Senator John Hoffman, Chair, called the meeting to order at 12:15 p.m. Bad weather affected today’s attendance.

COUNCIL PROGRAM

Judy Plante, Management Analysis and Development, reviewed each of the proposed Goal Statements for the Five Year State Plan with the edits and changes made during the January 13, 2016 Special Meeting.

One change was made to the Employment goal statement, item C; a portion of that item was deleted –

Increasing and improving access to inclusive postsecondary education and other career focused training opportunities that prepare individuals to meet the needs of the job or employment market.

It was noted that regardless of what has happened in the employment market, employment for people with disabilities hasn’t changed. Competitive employment is intended.

The Note at the end of the set of proposed Goal Statements was also edited –

All measurable goals should align with the Olmstead Plan.

Plante said that after today, the final proposed Goal Statements will be available for a public review and comment period.

MOTION: Stern moved, seconded by Smith to send out the final proposed Goal Statements for public comment. Motion carried. There were no dissenting votes.

The business portion of the Council meeting followed.

II. INTRODUCTIONS

Everyone present introduced him/herself.
III. **APPROVAL OF AGENDA**

Smith reported the evaluation results and funding recommendations for cosponsorship funds for training conferences. Ten applications were received and all were approved for funding at the requested level.

A total of $20,000 was available but only $16,725 was requested. No funding reductions needed to be made. Committee members decided that the balance of funds in the amount of $3,275 should be made available in another round of grant applications.

Smith reminded members about the Conflict of Interest Policy and Conflict of Interest Form. The Form must be signed if a member does not have a conflict of interest with the applicant organization. Smith said that each of the funding recommendations will be presented separately so abstentions can be recorded.

**MOTION:** Smith moved, seconded by Stern to approve the application submitted by **Advocating Change Together, Inc.** for **$ 2,000.00**. Motion carried; there were no dissenting votes or abstentions.
