Leadership Training Program

The Partners program was created by the Minnesota Governor’s Council on Developmental Disabilities 36 years ago, and has been offered nationally and internationally. Through informative and interactive sessions, Partners teaches leadership skills and the process of developing positive partnerships with elected officials and other policymakers who make decisions about the services that you and/or your family use.

Partners is accessible, informative and empowering. Since 1987, more than 1,100 self-advocates and parents have graduated in Minnesota.

Time Commitment
Participants are required to attend all eight weekend sessions (September–May with no session in December). Sessions run 11am–9pm on Day One and 8:30am–3pm on Day Two. (Sessions are held on Friday and Saturday except in March which is on Sunday and Monday.)

Location
Crowne Plaza Aire, 3 Appletree Square, Bloomington, MN 55425.

Cost
There is no fee to attend. Program costs are covered in part by a federal appropriation from the Office on Intellectual and Developmental Disabilities to the Minnesota Governor’s Council on Developmental Disabilities (Council). These funds are used to carry out the Partners program for those chosen for the class.

Overnight accommodations are provided at no cost for those who drive a distance to attend. Class members are matched and housed in double occupancy rooms. Mileage reimbursement is also available for class members. Also covered are meals, speaker handouts, resource materials, and publications, and interpreter or language translation services.

Respite/Child Care & PCAs
Reimbursement up to a maximum dollar amount per weekend session is available for participants needing these services when another funding source does not pick up these expenses. (NOTE: The Partners program does not provide onsite child care services. Family members are not permitted to stay at the hotel during the weekend training sessions unless a family member is serving as a personal assistant to a class member.)

Homework
After each session, a homework assignment that builds on and supports the topics addressed must be completed by each class member and turned in at the following session.

Presenters
Speakers are national and state subject matter experts or practitioners.

Selection Process
A Review Committee, which includes Partners graduates and representatives from the Minnesota Governor’s Council on Developmental Disabilities, selects participants based on several criteria. Class size is limited to 35 participants. Decisions will be made by August 12, 2022.
